Meeting called to order by Chairman Merritt at 7-30PM.

Motion to accept the January 2010 minutes was made by G. Brookins and seconded by T. Knapp. – Approved.

Correspondence: No correspondence received.

Old Business :

NBT Crosswalk – Committee viewed area at night and felt due to poor lighting this was a dangerous area. Committee asked that DOT be contacted and spoke with about the lighting. Tabled until March meeting.

Maple Street – Chairman Merritt advised there is a sign on the West side of Maple Street showing “One Way” with a directional arrow pointing toward West Main Street.

Berry Street – I advised I spoke with Melinda Mandeville at Roots and Wings. I found they have a truck come in every Thursday and once a month on Saturdays. She stated the truck always comes between 10am and 2pm and is there from 45 to 90 minutes. She stated that the truck used to drive down and turn around behind the building next door but someone had recently bought the building next door and they have locked the gate so now the truck has to back down Berry Street because it is unable to make the swing around the at Berry and Adams Streets. After discussion committee agreed to monitor the situation but to take no action at this time.

Mill Street – I advised I spoke with Carl Ivarson and he stated that Mill Street is 259 feet long and 13 feet wide and that DPW maintains Mill Street like any other street in the City. Committee members advised that they checked the situation and there was not a problem whenever they checked and felt this is a result of neighbors not getting along. Committee decided to take no action on this matter at this time.

New Business: No New Business.

With no further business to discuss, a motion to adjourn was made by G. Brookins and seconded by K. Perez.

Meeting adjourned at 8-02PM.
