

Parks Tour 2011
May 9, 2011

Present: S. Sutton S. Chase
B. Doliver C. Sprague
M. Williams

The Tour commenced at Weiler Park at 6:00pm. 2 requests were received for the use of Weiler Park; Men's slow pitch and YMCA T-ball. Both were approved. S. Chase motioning and S. Sutton seconding. All ayes.

Mark reminded the members that due to recent weather conditions (flooding and excessive rain) some of the normal maintenance is behind schedule, in particular the mowing and flood damage at S. Broad St. Park.

The following items were noted as needing attention in the Parks;

Weiler Park

- The phone along the walking patch should be repaired or removed
- The oak tree by the playground area may have to be removed

Kiwanis Park

- The posts by the parking area need replacing
- The basketball court needs repaving
- The Pavilion roof needs painting

Bruchhausen Park

- The basketball hoop is missing
- A park bench needs boards replaced

S. Broad St. Park

- The pavilion roof needs painting

East Park

- No items noted

Gordon Park

- Some of the landscaping ties need repair

Auburn Park

- The fence line has a lot of tree saplings growing in it

Kurt Beyer Park

- A pine tree needs removing

The next meeting will be June 13th at 7:00pm at the DPW facility on Hale St.
