Entrance signs-

Mark and C. Sprague will talk to Bob Wightman regarding prices to make the signs. C. Sprague showed the Commission members a book of signs bases he got from Wightman. They will also get those prices.

A discussion was held on the proposed lighted signs at the City's entrances. The Commission unanimously apposes these signs especially while they have been asked to look at signs for these areas. G. Harrington said he will write the Mayor and Council regarding this.

Mark reported the Ice Rink was getting a lot of use. He told the Commission that funding to do the repairs at the Pool and Resurfacing of the Tennis courts was coming from borrowing from the Wastewater funds. S. Chase stated that with the tennis facilities available at the Schools properties, he thought the project should only be minor repairs, not resurfacing.

The meeting adjourned at 8:00pm. **The next meeting will be on Feb. 14th at 7:00pm.**
