A discussion was held on a “dog friendly park”. Mark suggested that the City’s insurance carrier be asked if there were any issues with inviting people to bring there dogs into the parks.

C. Sprague asked if the City property behind Bordontown Circle could be used as a Dog Park. Mark said he would have to check into that.

The Commission members gave their input with the proposed entrance signs. Suggestions were; order of wording, font, and background to the words.

G. Harrington told the Commission that NBT was having Wilcox Construction repair the Kiosk in West Park. They will replace the rotting wood with a composite material.

Commissioners Concerns;

B. Doliver said the chin up bars at Weiler Park were leaning and asked Mark to look at it. Mark said he has never seen anyone use them and if they needed more than minor repairs he would have them removed.

The Meeting adjourned at 8:00pm. The next meeting will be on November 8th at 7:00pm. There will not be a meeting in October because of the Holiday.
