Correspondence:

City Hall received an email about the traffic signal at the main four being too short and not allowing enough time for traffic to clear the intersection. DOT to be contacted.

Old Business:

- NYS DOT responded with a letter stating the concerns on NYS Rt 23/Plymouth St. near the City line, it was determined that the first "City Speed Limit 30" sign was not at the city line but 300 feet +/- south around the corner. NYSDOT maintenance installed a City Speed Limit 30" at the city line to make the change in speed limit clearer to drivers entering the city.
- DPW contacted about the faded 30 MPH sign at the city limits on Hale Street and about tree branches blocking the 30 MPH sign on Calvery Dr. just off NYS Rt. 12.

NEW BUSINESS:

None

Motion by Frank Revoir to adjourn meeting, seconded by Vivian James, meeting adjourned at 7:20 p.m. Next meeting will be the second Wednesday of the month, Wednesday, **June 14**, 2023, at 7:00 p.m.
