Correspondence:

Old Business:

Members discussed what the options were for the 90-degree curve at Park and Mitchell Street.
Motion by Frank Revoir to have caution blind spot ahead signs placed prior to the curve on Park and Mitchell Street, seconded by Linda Handson. All in favor.

Alderman Gee requested the commission view the South Broad Street on the east side where a fire hydrant has been placed and it needs no parking signs placed on each side of it. ACP Burlison to contact DPW.

Mayor Doliver spoke to ACP Burlison about the city buying one solar powered radar speed sign in 2024 and wants the commission to suggest the placement of the sign. Members were recommended to have suggestions for the February meeting.

NEW BUSINESS:

Erik Scrivener, City of Norwich Grants Coordinate and Eric Larsen, Chair of the Friends of the Park presented the members with an overview of what improvements to East and West Park would look it and if securing 3-8 parking slots on the north side of East Park Place would cause any hardships. Chair Larsen was in the initial stages of the planning and had other business owners to speak to before the project moved forward.

Motion by Frank Revoir to adjourn meeting, seconded by Paul Eaton, meeting adjourned at 8:33 p.m. Next meeting will be the second Wednesday of the month, Wednesday, **February 14, 2024, at 7:00 p.m.**
