

Minutes

City of Norwich, New York Water Commission

December 11, 2024

Present: S. Simmons, G. Baas, D. Wilson, J. Kolb, S. Dietrich, E. Pepe

The only item of business was discussion concerning the Chenango Lake Shoreline Policy, which is to be presented to the Common Council for their adoption. Henceforth, the Common Council will be making all decisions regarding construction on city property adjacent to Chenango Lake. The Water Commission will review any applications and will advise the Common Council in this regard.

The revised policy is attached.

S. Simmons moved to accept the revised policy, which was seconded by J. Kolb. The motion passed with four yes votes and one no vote.

It was suggested that the boat launch should be discussed at the regularly scheduled January meeting.

The meeting was adjourned at 8 PM.

Respectfully submitted,

G. Baas
