Centennial Tree-

A discussion was held on a location for the Centennial tree. C. Sprague said he would talk to Rebecca Hargrave, Chairperson of the Tree Committee, about what tree to plant. He also said he would approach the County about whether it could be planted in East Park. Other possible locations discussed were; The Library Park, South Broad St. Park next to the entrance sign. The area near the entrance sign at the north end was considered, but Mark said it would be a traffic visibility problem for the intersection of Borden ave. and N. Broad St.

Ice Rink-

Mark said that it was a successful year for the Rink with a lot of usage. He said with the warm week we recently had, a lot of the base had melted and that had finished the season for ice making.

The meeting adjourned at 8:03pm. **The next meeting will be April 7th.** This early meeting is because of schedule conflicts with Members of the Commission.
