PLEASE OBSERVE THESE INSTRUCTIONS FOR FILING LOCAL LAWS WITH THE SECRETARY OF STATE

- 1. Each local law shall be filed with the Secretary of State within 20 days after its final adoption or approval as required by section 27 of the Municipal Home Rule Law. The cited statute provides that a local law shall not become effective before it is filed in the office of the Secretary of State.
- 2. Each local law to be filed with the Secretary of State shall be an original certified copy.
- 3. Each local law shall be filed on a form provided by the Department of State. If additional pages are required, they must be the same size as the form. Typewritten copies of the text may be attached to the form. Only legible copies will be accepted.
- 4. File only the number, title and text of the local law.
- 5. In the case of a local law amending a previously enacted local law, the text must be that of the law as amended. Do <u>not</u> include any matter in brackets, with a line through it, italicized or underscored to indicate the changes made. The printed number of the bill and explanatory matter must be omitted.
- 6. For the purpose of filing a local law with the Department of State, number each local law consecutively, beginning with the number one for the first local law filed in each calendar year. The next number in sequence should be applied to each local law when it is submitted for filing, regardless of its date of introduction or adoption. The date of filing of a local law is the date on which the local law is placed on file by the Department.

It is suggested that municipalities use introductory identifying bill numbers for proposed local laws. After the local law is enacted (and approved by the voters, if required), the local law should then be numbered with the next consecutive local law number, as described above, and then submitted to the Department for filing.

- 7. Each copy of a local law filed with the Secretary of State shall have affixed to it a certification by the Clerk of the County legislative body or the City, Town or Village Clerk or other officer designated by the local legislative body. Certification forms are provided herewith.
- 8. A copy of each local law may be mailed or delivered to:
