

NORTH LEBANON TOWNSHIP
RESOLUTION NO. 10-2024

A RESOLUTION OF NORTH LEBANON TOWNSHIP,
LEBANON COUNTY, PENNSYLVANIA, **ADOPTING
THE FEE SCHEDULE FOR HIGHWAY OCCUPANCY
PERMITS.**

WHEREAS, North Lebanon Township has adopted provisions for the regulation of Highway Excavations, which have been codified in the Code of Ordinances of the Township of North Lebanon at Chapter 21, Part 4; and

WHEREAS, Section 21-404 authorizes the Township Supervisors to adopt by Resolution the limits of insurance required to be maintained by the party performing the work in accordance with Chapter 21, Part 4; and

WHEREAS, Section 21-405 allows the Township Supervisors to set permit fees by Resolution; and

WHEREAS, Section 21-406 permits the Township Supervisors to establish requirements for excavation and restoration work by Resolution.

NOW, THEREFORE, BE IT RESOLVED AND ENACTED, and the same is hereby resolved and enacted by the Board of Supervisors of North Lebanon Township, to establish minimum insurance requirements, set the fees for permits and inspections, and limit the duration of the permit for performing excavation and restoration work in accordance with Ordinance 6/3/85, including all amendments thereto, and as codified under Chapter 21, Part 4 Highway Excavations. These requirements and fees are set forth in Exhibit "A" hereby attached to this resolution.

ADOPTED THIS 2nd day of January, 2024.

EXEMPTIONS

Permit issuance fees and general permit inspection fees are not payable by any of the following:

- A. The commonwealth
- B. Political subdivisions of the commonwealth, except when placing a facility longitudinally within more than 100 total linear feet of pavement. In that case, the application and inspection fees for pavement openings will be charged.
- C. Governmental authorities organized under the laws of the commonwealth.
- D. The federal government
- E. Charitable organizations that are in compliance with Act No. 337, approved August 9, 1963, P.L. 628, as amended (hospitals, schools, charitable institutions, veterans' organizations, non-profit organizations).
- F. Utility facility owners for:
 - I. The installation of streetlights at the request of North Lebanon Township
 - II. The replacement or renewal of their facilities prior to a Township resurfacing project after notice from the Township
 - III. Facilities moved at the request of North Lebanon Township

ADDITIONAL INSPECTION FEES

If the Township determines that the permitted work is of sufficient magnitude or importance to warrant assignment of one or more persons to inspect the permitted work on a more than spot inspection basis, the permit will so indicate, and the permittee shall be charged for additional hourly wages, overhead and expenses incurred by each assigned inspector of the Township.

BONDING REQUIREMENTS

<p>A. Minimum Bond required for all Contractors (See Ord. for more information)</p>	<table border="1"> <tr><td style="text-align: center;">\$7,500.00</td></tr> </table>	\$7,500.00

\$75,000.00		

The Township reserves the right upon review of the application to determine if the proposed permitted work is of sufficient magnitude or importance to require a higher Bond amount than listed above and will notify the applicant of such requirement prior to issuing the permit.

MINIMUM LIABILITY INSURANCE REQUIREMENTS

In accordance with Section 21-404 the contractor shall provide proof of General Commercial Liability insurance of not less than \$1 million in the aggregate. Additional insurances may be required if in the opinion of the Township Roadmaster or Manager the insurance coverage is necessary for the project. Other types of insurance may include but are not limited to worker's compensation insurance, special hazard insurance, property damage insurance, automobile insurance, truck insurance and blasting damage insurance. This is to be determined on a case-by-case basis.

DURATION OF PERMIT

In accordance with Section 21-406 all excavation and restoration work shall be completed within one (1) year of issuance of permit.
