Re: 2024 Regional Household Hazardous Waste (HHW) Program

The Regional Household Hazardous Waste Collection Program provides residents the opportunity to safely dispose of household hazardous products that cannot be thrown away in the trash. The MARC Solid Waste Management District administers this program in partnership with the cities of Kansas City, Mo and Lee's Summit.

Membership in the program provides residents year-round access to permanent facilities in Kansas City and Lee's Summit, and to multiple mobile collection events.

Materials accepted for safe disposal include paint and paint-related products, automotive fluids, batteries, lawn and garden chemicals, housecleaners, fluorescent bulbs, and other items such as nail polish, bug spray and oven cleaners.

The 2024 participation fee will be \$1.13 per capita and will be applied to 2022 population estimates. A community cost list is attached to the agreement enclosed. The program is also supported with a grant from the Missouri Department of Natural Resources to assist with disposal costs.

If you are interested in providing this service to your residents in 2024, please sign and return the agreement by **Friday, December 15, 2023.**

If you have any questions and/or would like a presentation to your city council or county commissioners, please contact Nadja Karpilow at (816) 701-8226.

We look forward to serving your community.

Sincerely,

Doug Wylie
Chair, MARC Solid Waste Management District

Supp. 1990) and the members of the SWMD include most cities within the member counties; and

Whereas the City of Kansas City, Missouri (Kansas City) operates a permanent Household Hazardous Waste facility located at 4707 Deramus, Kansas City, Missouri, and operates outreach sites for collection of Household Hazardous Waste (HHW) at various locations and on various dates; and

Whereas, the City of Lee's Summit, Missouri operates a permanent Household Hazardous Waste Facility located at 2101 SE Hamblen Road, Lee's Summit; and

Whereas, Kansas City and Lee's Summit have made these HHW collection facilities available for use by members of the SWMD and the SWMD, Kansas City and Lee's Summit have agreed to create a regional household hazardous waste program for the benefit of all members of the SWMD; and

Whereas Oak Grove, Missouri (sometimes referred to in this Agreement as the "Participating Member") intends to participate in the Regional HHW Collection Program;

Therefore, the SWMD and the Participating Member agree that participation in the Regional HHW Collection Program shall be on the following terms and conditions:

I *Definitions*

Household Hazardous Waste (HHW) shall mean waste that would be classified as hazardous waste by 40 CFR 261.20 through 261.35 but that is exempt under 40 CFR 261.4 (b) (1) (made applicable in Missouri by 10 CSR 25-4.261) because it is generated by households. Examples include paint products, household cleaners, automotive fluids, pesticides, batteries, and similar materials. A determination of whether any material meets this definition shall be made by Kansas City.

II *Effective Date*

Oak Grove, Missouri agrees to participate in the Regional HHW Collection Program for a one-year period beginning on **January 1, 2024**.

III *Termination*

A. Budget Limitations. This Agreement and all obligations of the Participating Member and the SWMD arising therefrom shall be subject to any limitation imposed by budget law. The parties represent that they have within their respective budgets sufficient funds to discharge the obligations and duties assumed and sufficient funds for the purpose of maintaining this Agreement. This Agreement shall be deemed to terminate by operation of law on the date of expiration of funding.

B. Termination of regional program. If the regional household hazardous waste program is terminated prior to the expiration of this Agreement, the SWMD shall refund the amount paid by the participating member, less the cost of services provided prior to termination of the regional program. The cost of services shall be assessed at seventy-five dollars (\$75.00) for each vehicle belonging to a resident of the participating member that has been served prior to the termination of the program, not to exceed the amount paid by the participating member.

C. Each participating member will be required to notify the SWMD, Kansas City and Lee's Summit in writing of its intention to renew the annual agreement for the following year no later than December 15. In the event that notification is not provided in advance or the final decision is made to not rejoin the program for the upcoming year, the participating member is responsible for any costs incurred by Kansas City and/or Lee's Summit to serve residents after December 31. Kansas City and SWMD reserve the right to invoice the member city or county for any waste disposal costs incurred as a result of late notification.

At least one-half of this amount shall be paid within thirty (30) days upon receiving the district invoice. Payment of any remaining balance shall be paid within the following six months.

B. *Payment.* The Participating Member shall be obligated for payment of the amount shown in Paragraph IV(A) irrespective of the participation of its citizens, or of any actual expenses incurred by the SWMD, Kansas City, or Lee's Summit attributable to the Participating Member, except in the event of termination of the regional program, as reflected in III(B) above. Payment by the Participating Member of the agreed upon amount shall not be contingent upon renewal of this Agreement or renewal of the Agreement between the SWMD and Kansas City or Lee's Summit.
