CITY OF OAK GROVE

**ANNUAL BUDGET
JAN – DEC 2024**

December 21st, 2023

Mayor Webb and Members of the Board,

I am grateful for the opportunity to present the 2024 Proposed Budget for the City of Oak Grove for your input, review, and consideration. The proposed budget reflects the City's commitment to provide high quality services, maintain a strong financial position, and to continue to invest in the City's future.

The City's financial system operates on a modified cash basis for both governmental and enterprise type activities through 8 specific funds. The modified cash basis of accounting accounts for and records revenue when it is received/collected, and when expenses are paid. Governmental activities include most of the City's services such as public safety, public works, parks and recreation, and general administration. Sales taxes, property taxes, and fees and charges finance governmental activities. Enterprise activities include the City's water and wastewater operations. These activities are financed through user fees. The proposed budget also includes a newly established Street Improvement Use Tax Fund to account for revenues generated from the use tax approved by voters in November of 2022. Including all funding sources, the 2024 Street Preservation Program is budgeted at \$1,325,000.

The 2024 proposed budget includes a 3.5% COLA adjustment and an annual performance step increase. Please see below for a summary of the 2024 Proposed Budget by fund.

General Fund:

The General Fund is the City's main operating fund and accounts for all governmental expenses unless specifically committed to another fund.

2024 projected revenues are budgeted at \$5,805,755 or about a 6% increase over 2023 projected revenues. This growth is driven by a 3% increase in sales tax revenues and a 23% increase in grant reimbursement revenues.

The 2024 expenses are budgeted at \$6,089,455 or about 5.7% increase over 2023 projected expenses. The increase is primarily attributed to reimbursable grant expenses including flock cameras, PD utility trailer, and COPS grant. The 2024 budget also includes a requested civilian FTE position in the Police Department (see attached expansion request for additional details.)

The proposed budget also includes the following one-time expenses:

- \$400,000 for the Street Preservation Program
- \$85,000 for Park Master Plan, and
- \$30,000 to replace aging code enforcement vehicle.

In total, the proposed budget includes the utilization of \$283,700 in fund balance with a remaining fund balance of 47%.

Transportation Fund:

The Transportation Fund accounts for revenues generated by a ½ cent sales tax. The fund is utilized for street repair, personnel costs, signage, right-of-way maintenance, and equipment upkeep.

In 2024, the overall revenues are budgeted at \$810,440, or about 6% higher than 2023 projected revenues. The projected increase in revenues is attributed to an increase in sales tax receipts and impact fees related to anticipated new development.

The 2024 expenses are budgeted at \$970,750, or about a 4% increase over the 2023 projected expenses.

The proposed budget includes the following one-time expenses:

- \$175,000 for the Street Preservation Program
- \$70,000 for a new asphalt patch trailer, and
- \$50,000 for 50% replacement cost of new dump truck.

The proposed budget includes utilization of \$160,000 in fund balance with a remaining fund balance of 35%.

Street Improvement Use Tax Fund:

The projected 2024 beginning balance of the Street Improvement Fund is estimated at \$300,000. The 2024 revenues are budgeted at \$507,500. Expenditures are budgeted at \$650,000 utilizing 2023 carryover funds with a remaining fund balance of 24%. The budget is entirely dedicated to the 2024 Street Overlay Program.

The proposed budget includes:

- \$650,000 for the Street Preservation Program

Debt Service Fund:

The Debt Service Fund accounts for monies received from taxes for the repayment of the City's General Obligation Bonds used to finance capital improvements. The Debt Service Fund is financed through property taxes and an interfund transfer from the General Fund. The 2024 revenues are budgeted at \$600,300 or about 1% higher than the 2023 projected revenues. Expenditures are approximately 2% higher due to scheduled principal and interest payments. The remaining fund balance is 44%.

Capital Improvement Fund:

The City of Oak Grove imposes a ¼ cent sales tax for the Capital Improvement Fund. Projected revenues for 2024 are \$403,220 while expenditures are budgeted at \$703,500 with a remaining fund balance of 64%. The following items are budgeted:

Total			2,078,500	703,500	1,375,000

Water Utility Fund:

The Water Fund accounts for revenues and expenditures generated from water service and usage charges. The revenue is used to fund the operations and maintenance of the Water Utility. The utility serves approximately 3,300 customers accounts. Water is purchased wholesale from the City of Independence Water Utility. Oak Grove maintains and operates the water distribution network including two water towers, booster stations, and underground infrastructure.

The proposed budget includes a 3.7% rate increase. Rates were not adjusted in 2020, 2021, or 2023. Rates were increased 3.5% in 2022.

Total revenues are budgeted \$2,057,300. The proposed expenditures are flat year-to-year at \$2,056,425. The fund is not projected to utilize fund balance in 2024. The remaining fund balance is 55%.

The proposed budget also includes \$50,000 to update the City's Water Master Plan.

Wastewater Utility Fund:

The Wastewater Fund accounts for revenues and expenditures generated from sewer service and usage charges. The revenue is used to fund the operations and maintenance of the Sewer Utility. Oak Grove currently treats all wastewater at the City's Wastewater Treatment Facility.

The proposed 2024 budgeted revenues are \$1,945,000 or a 3% increase over the 2023 projected revenues. The proposed budget includes a proposed rate increase of 3.7%. Sewer Rates were last increased in 2019.

Total 2024 expenses are budgeted at \$2,082,556 or about 11% higher than 2023 projected expenses.

The proposed budget also includes the following expenses:

- \$150,000 for I&I reduction and
- \$110,000 to remove biosolids from the south waste cell.

The remaining fund balance is 56%.

Stormwater Fund:

It is projected that the 2024 beginning balance of the Stormwater Fund will be \$35,640. The fund balance is a result of sales tax that was imposed until it was changed in 2008. With the redirection of the sales tax, this fund no longer has a source of revenue beyond interest income of \$750. The 2024 Proposed Budget includes expenditures of \$36,390 for storm drainage work.

Summary and Acknowledgements:

The 2024 Proposed Budget is one of the most important policy documents adopted by the Board of Alderman. The budget reflects the Mayor, Board of Aldermen, and Staff's commitment to provide excellent public service, high quality amenities, financial stability, and strategic investments for the future of Oak Grove.

The 2024 Proposed Budget includes projected revenues of \$12,130,265 while overall expenditures are budgeted at \$13,244,376.

I want to thank the entire staff for their efforts throughout the budget process but also for their commitment, professionalism, and dedication to the City of Oak Grove every day.

Sincerely,

Matthew Randall
City Administrator

OAK GROVE POLICE DEPARTMENT MEMO

TO: Matthew Randall, City Administrator

FROM: Mike Childs, Chief of Police

DATE: November 3, 2023, 2023

RE: Public Safety Position Expansion Request

PURPOSE

The purpose of this memo is to request and justify the expansion of two additional personnel for the police department. The first being a full-time certified patrol officer to backfill manpower needs due to grant award position opening. The second position to be a full-time civilian administrative assistant to cover the growing administrative needs and the in-person contacts and telephone calls to ensure seamless coverage during business hours.

POLICE DEPARTMENT POSITION – CERTIFIED PATROL OFFICER

The police department is requesting the expansion of one sworn full-time position of patrol officer. The officer would backfill patrol manpower following the award of the FY-2023 Department of Justice Community Oriented Policing Hiring Program for a School Resource Officer (SRO) position within the Oak Grove R-6 School District. As the federal guidelines for the SRO position require an experienced officer, the SRO position will be filled by a current officer and the patrol position replacement filled by the expansion new hire.

The police department in collaboration with the Oak Grove R-6 School District, sought this funding to establish a full-time SRO position for school-based policing within the middle school and high school environment. Through an already established memorandum of understanding the police department and school district understand the SRO plays a tripartite role of law enforcement, informal mentor, and counseling. In this sense, the theory of school-based policing is aligned with our community policing endeavors working with local partnerships to bring more resources to bear on safety in an educational setting.

The grant received by the department will cover 75% of the pay and benefits for one full-time position to backfill the future SRO selection, for a total reimbursement of \$125,000 over three years. After the three-year grant cycle, a memorandum of understanding with the school district will be in place to cover salary and benefits for actual days an SRO is assigned to the district (180 to 187 days) thus continued funding for the position.

POLICE DEPARTMENT POSITION – ADMINISTRATIVE ASSISTANT

The police department is requesting the expansion of one civilian full-time position of administrative assistant. A position to work one step below the current Public Safety Administrative Assistant position and assist with all administrative duties and requirements.

The addition of an administrative assistant position for the police department would be of utmost importance in maintaining records and upholding certifications and requirements for eight different national and state crime reporting systems. Currently the Public Safety administrative assistant works to complete all requirements, and does so admirably, while also handling incoming calls, in-person contacts, employee record needs, insurance crash and crime reports, prosecutor, and defense attorney case reports, and then completes department payroll, invoicing and purchase orders, notary duties, department listings, and other duties related to community events and gatherings.

The department is amazed at the amount of work the current administrative assistant accomplishes, but also concerned at the ever-growing need and lack of succession planning for such an important position. While one goal of the expansion is to ensure the department never need close phones or the front window during business hours, a greater concern needs to be ensuring redundancy of knowledge and the ability to complete mission critical goals of the position absent one knowledgeable person. A second person capable of learning the position and acting as backup to allow for not only personal time off or illness, but also professional development time away from incoming calls and front desk duty.

Additionally, the administrative assistant expansion position would allow for training in areas useful in assisting patrols and limiting time at the station for clerical duties. The position should be cross trained in bonding procedures, fingerprinting requirements both criminal and pre-employment, evidence management and processing, and equipment maintenance helping to assist current patrol supervisors.

ADDITIONAL COSTS

1 Sworn Patrol Officer FTE	\$44,840 (Base pay not including benefits)
1 Civilian Administrative Assistant FTE	\$31,260-\$34,879 (Base pay not including benefits)

REQUEST

It is requested to increase the Oak Grove Police Department budget by two full-time positions, that of one sworn officer, and one civilian administrative assistant. With award of the hiring grant the sworn position will help maintain current manpower while also expanding personnel with addition of the SRO role. The administrative position important to maintaining the level of service provided by the department, ensuring a transfer of knowledge for the complexity of the position, adopting a succession plan, and providing additional assistance in department work endeavors providing officers more time on patrol duties. Both positions would be important for essential duty requirements, but also a force multiplier to ensure delivery of service to levels expected for the Oak Grove Police Department.
