The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

g. Buyer Income Eligibility

1. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross

household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.

- 2. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's certified monthly income.
- 3. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Township Committee, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
- 4. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- h. Limitations on Indebtedness Secured by Ownership Unit; Subordination
 - Prior to incurring any indebtedness to be secured by a restricted ownership unit, the administrative agent shall determine in writing that the proposed indebtedness complies with the provisions of this section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
 - 2. With the exception of original purchase money mortgages, during a control period neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of that unit, as such price is determined by the administrative agent in accordance with N.J.A.C. 5:80-26.6(b).
- i. Control Periods for Restricted Rental Units
 - 1. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, and each restricted rental unit shall remain subject to the controls on affordability for a period of at least 30 years.
 - 1. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as may be amended and supplemented, and each

restricted rental unit shall remain subject to the requirements of this ordinance for a period of at least 30 years, until Ocean Township takes action to release the unit from such requirements. Prior to such action, a restricted rental unit must remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.

- 2. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of 10 years.
- 3. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Monmouth. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.
- 4. A restricted rental unit shall remain subject to the affordability controls of this section, despite the occurrence of any of the following events:
 - (a) Sublease or assignment of the lease of the unit;
 - (b) Sale or other voluntary transfer of the ownership of the unit; or
 - (c) The entry and enforcement of any judgment of foreclosure on the property containing the unit.
- j. Price Rent Restrictions for Rental Units; Leases
 - A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.
 - No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
 - 3. Application fees (including the charge for any credit check) shall not exceed 5 percent of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this section.
 - 4. No rent control ordinance or other pricing restriction shall be applicable to either the market units or the affordable units in any development in which at least 15% of the total number of dwelling units are restricted rental units in compliance with this ordinance.
- k. Tenant Income Eligibility

- 1. Tenant income eligibility shall be in accordance with <u>N.J.A.C.</u> 5:80-26.13, as may be amended and supplemented, and shall be determined as follows:
 - (a) Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30 percent of **regional** median income **by household size**.
 - (b) Low-income rental units shall be reserved for households with a gross household income less than or equal to 50 percent of **regional** median income **by household size**.
 - (c) Moderate-income rental units shall be reserved for households with a gross household income less than 80 percent of regional median income by household size.
- 2. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35 percent (40 percent for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - (a) The household currently pays more than 35 percent (40 percent for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 - (b) The household has consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 - (c) The household is currently in substandard or overcrowded living conditions;
 - (d) The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 - (e) The household documents proposed reliable anticipated third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
- 3. The applicant shall file documentation sufficient to establish the existence of the circumstances in paragraphs k.2(a) through k.2(e) above with the Administrative Agent, who shall counsel the household on budgeting.
- Conversions. Each housing unit created through the conversion of a nonresidential structure shall be considered a new housing unit and shall be subject to the affordability controls for a new housing unit.

m. Alternative Living Arrangements

- 1. The administration of an alternative living arrangement shall be in compliance with N.J.A.C. 5:93-5.8 and UHAC, with the following exceptions:

 - a. Affordability average and bedroom distribution (N.J.A.C. 5:80-26.3).
- 2. With the exception of units established with capital funding through a 20year operating contract with the Department of Human Services, Division of Developmental Disabilities, alternative living arrangements shall have at least 30-year controls on affordability in accordance with UHAC, unless an alternative commitment is approved by the Court.
- 3. The service provider for the alternative living arrangement shall act as the Administrative Agent for the purposes of administering the affirmative marketing and affordability requirements for the alternative living arrangement.

- (j) The Administrative Agent shall, as delegated by the Township Council, have the authority to take all actions necessary and appropriate to carry out its responsibilities, hereunder.
- d. Enforcement of Affordable Housing Regulations
 - 1. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
 - 2. After providing written notice of a violation to an Owner, Developer or Tenant of a low- or moderate-income unit and advising the Owner, Developer or Tenant of the penalties for such violations, the municipality may take the following action against the Owner, Developer or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (a) The municipality may file a court action pursuant to <u>N.J.S.A.</u> 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the Owner, Developer or Tenant is found by the court to have violated any provision of the regulations governing affordable housing units the Owner, Developer or Tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - (1) A fine of not more than five hundred (\$500.00) dollars or imprisonment for a period not to exceed 90 days, or both. Each and every day that the

- violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
- (2) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Township of Ocean Affordable Housing Trust Fund of the gross amount of rent illegally collected;
- (3) In the case of an Owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
- (b) The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.
- 3. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
- 4. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating Owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
- 5. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and

- moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- 6. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- 7. Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- 8. The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the Owner.
- e. Appeals. Appeals from all decisions of an Administrative Agent designated pursuant to this section shall be filed in writing to the Township.

SECTION 3. Repealer. All ordinances or parts of ordinances inconsistent herewith are repealed as to such inconsistencies.

SECTION 4. Severability. If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

SECTION 5. Except as amended hereinabove, all other provisions of Chapter XXI, Article III of the Township Revised General Ordinances shall remain in full force and effect.

SECTION 6. Effective Date. This ordinance shall take effect upon passage and publication as provided by law.
