ARTICLE II.

CONTRACTOR shall comply in all respects with provisions of the Contract Documents regarding Equal Employment Opportunity, handicapped facilities, nonsegregated facilities, and Missouri Prevailing Wage Law.

In no case shall the CONTRACTOR assign work amounting to more than one hundred (100 %) percent of the total contract amount. No transfer of contract shall release the CONTRACTOR of his liability under the contract and bonds applicable thereto.

ARTICLE V.

CONTRACTOR agrees to begin work within ten (10) days after receiving written notice to start work from the OWNER and complete the work within 90 calendar days of the Notice to Proceed.

ARTICLE VI.

In conformity with the GENERAL CONDITIONS, BID FORM, and JOB SPECIAL PROVISIONS the amount of liquidated damages for the Contract shall be Four Hundred dollars (\$400.00) per consecutive calendar day in excess of the completion date.

To the fullest extent permitted by law, the CONTRACTOR shall indemnify and hold harmless the CITY, CONSULTING ENGINEER, their consultants, and agents and employees of any of them from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property other than the Work itself, including loss of use resulting there from, but only to the extent caused in whole or in part by negligent acts or omissions of the CONTRACTOR, a Subcontractor, or anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity, which would otherwise exist as to a party or person described in this Section.

In claims against any person or entity indemnified under the above paragraph by an employee of the CONTRACTOR, a Subcontractor, or anyone directly or indirectly employed by them or anyone whose acts they may be liable, the indemnification obligation under this paragraph shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the CONTRACTOR or a Subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

The obligations of the CONTRACTOR under this Section shall not extend to the liability of the ENGINEER, the ENGINEER'S consultants, and agents and employees of any of them arising out of (1) the preparation or approval of maps, drawings, opinions, reports, surveys, Change Orders, designs or specifications, or (2) the giving of or the failure to give directions, after requested in writing by the CONTRACTOR, or instructions by the ENGINEER, the ENGINEER'S consultants, and agents and employees of any of them provided such instructions or failure to give is the primary cause of the injury or damage.

Upon such notification the OWNER shall be entitled to take possession of the Work and of all materials and equipment thereon and finish the Work by whatever method the OWNER may deem expedient, which may include, but is not limited to, the OWNER itself completing the work or the OWNER hiring others to complete said work. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the Work is finished. If the unpaid balance of the Contract Sum shall exceed the expenses of finishing the Work, including additional engineering, architectural, managerial and administrative expenses, and liquidated damages, such excess shall be paid to the CONTRACTOR. If such expenses and damages exceed the unpaid balance of the Contract Sum, the CONTRACTOR shall pay the difference to the OWNER promptly upon demand. In the event of termination pursuant to this paragraph, the CONTRACTOR, upon the request of the OWNER, shall promptly:
- i. assign to the OWNER in the manner and to the extent directed by the OWNER all right, title and interest of the CONTRACTOR under any subcontracts, purchase orders and construction equipment leases to which the CONTRACTOR is a party and which relate to the Work or to construction equipment required therefore, and

- (b) Performance of the Work hereunder may be terminated by the OWNER by giving three (3) days prior written notice to the CONTRACTOR if the OWNER, in its sole discretion, decides to discontinue or suspend construction.
