

Local Law #5 was adopted 6/12/23 by the Village Board of Trustees

Amend §225-11(C)(1) to read:

- (1) Open space. Every part of a required setback must be open to the sky unobstructed, except for accessory buildings in a rear or side yard; and except for the ordinary projection of balconies, steps, sills, belt courses, cornices and for ornamental features projecting not to exceed three feet; and except for the following structures:

Effective date.

This local law shall take effect immediately upon filing with the Secretary of State.
