NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Pittston, Luzerne County, Pennsylvania (the "Council"), and it is hereby ordained and enacted by the authority of same as follows:

SECTION 1. The maximum aggregate principal amount of the General Obligation Bonds, Series A and B of 2023 (collectively, the "Bonds") of the City proposed to be issued is Three Million Two Hundred Eighty-Five Thousand Dollars (\$3,285,000), same to be issued for the foregoing purposes and same to be incurred as nonelectoral debt. The Bonds consist of the City's \$2,245,000 maximum principal amount General Obligation Bond, Series A of 2023 (the "Series A Bond") and \$1,040,000 maximum principal amount Federally Taxable General Obligation Bond, Series B of 2023 (the "Series B Bond"); and

SECTION 2. The City hereby approves the Project to be undertaken consisting of providing funds to finance and/or reimburse all or any of the following: (1) refunding the outstanding 2023 Note; (2) funding the design, acquisition, construction, renovation, improvement, and installation, furnishing and equipping of improvements and/or additions to the City's facilities and properties, including, but not limited to, the acquisition of vehicles and other municipal equipment, street paving, streetscape projects and improvements, recreation facilities improvements and equipment acquisition, sanitary and storm sewer repairs and improvements and equipment acquisition, municipal buildings and municipal facilities renovations and improvements, technology and information improvements and equipment acquisition; (3) additional capital projects of the City to the extent approved by the Council of the City; and (4) paying the costs and expenses of issuing the Bonds.

The City hereby finds and certifies that realistic cost estimates have been obtained for the costs of the Project from financial analysts, registered architects, professional engineers or other persons qualified by experience to provide such estimates.

It is hereby determined and declared that the remaining realistic estimated useful life of the capital project originally financed by the 2023 Note which is to be refinanced by a portion of the proceeds of the Series A Bond is at least 15 years. It is hereby determined and declared that the realistic estimated useful life of the capital project to be financed and/or reimbursed by a portion of the proceeds of the Series A Bond is at least 40 years and the realistic estimated useful life of the capital project to be financed and/or reimbursed by the proceeds of the Series B Bond is at least 40 years.

It is hereby certified that a principal amount of the Bonds at least equal to the realistic estimated cost of such capital project shall mature prior to the end of the useful life of such project.

Stated installments or maturities of principal of the Bonds will not be deferred beyond the later of one year after the estimated date for the completion of the construction portion of the Project, if any, or two years from the date of issuance of the Bonds.

In connection with the issuance and sale of the Series A Bond, the Council, as required by the provisions of the Act, hereby finds, determines and states (a) that the purpose of the refunding of the 2023 Note is to substitute a bond for a note; and (b) that the refunding of the 2023 Note is authorized and permitted under and pursuant to the provisions of Section 8241 of the Act. The Council further finds and determines that the final maturity date of the Series A Bond issued to effect the refunding of the 2023 Note does not extend to a date that could not have been included in the 2023 Note issue.

The Council hereby authorizes and directs its proper officers, agents and employees to execute all documents and take all actions necessary in connection with accomplishing the refunding of the 2023 Note, including, but not limited to providing notice to the paying agent for the 2023 Note, and to call the 2023 Note for redemption on a date to be selected by the Mayor or Deputy Mayor of the City. In accordance with Section 8246 of the Act, it is the intent of the Council that the 2023 Note shall no longer be outstanding from and after the date of the issuance of the Series A Bond.

SECTION 3. Said indebtedness shall be evidenced by two general obligation Bonds in the maximum aggregate principal amount of Three Million Two Hundred Eighty-Five Thousand Dollars (\$3,285,000), dated and bearing interest from the earliest date of possible issue of said Bonds under the statutory time requirements as set forth in the Act, at rates of interest as set forth in the Proposals, payable on the unpaid balance of said Bonds during the terms of said Bonds. The Series A Bond shall mature in maximum installments of principal and interest as shown on the attached schedule hereinafter referred to as Exhibit A. The Series B Bond shall mature in maximum installments of principal and interest as shown on the attached schedule hereinafter referred to as Exhibit B.

The City reserves the right to anticipate any or all installments of principal or any payment of interest at any time prior to the respective payment dates thereof, in accordance with the limitations as specified in the Proposals, if any.

The principal and interest of said Bonds shall be payable at the office of the sinking fund depositary selected for the Bonds as hereinafter provided.

SECTION 4. The Bonds are hereby declared to be general obligations of the City.

SECTION 5. The City hereby covenants that it shall include the amount of debt

service on the Bonds for each fiscal year in which such sums are payable in its budget for that year; shall appropriate such amounts from its general revenues for the payment of such debt service; and shall duly and punctually pay or cause to be paid from its general revenues the principal of the Bonds and the interest thereon at the dates and places and in the manner stated in the Bonds according to the true intent and meaning thereof, and for such proper budgeting, appropriation, and payment, the full faith, credit and taxing power of the City are hereby irrevocably pledged.

The maximum amounts which the City hereby covenants to pay in each of the fiscal years that the Series A Bond is outstanding on the basis of a tax-exempt fixed interest rate as specified in the Series A Proposal are shown on Exhibit A attached hereto. The maximum amounts which the City hereby covenants to pay in each of the fiscal years that the Series B Bond is outstanding on the basis of a taxable fixed interest rate as specified in the Series B Proposal are shown on Exhibit B attached hereto.

SECTION 6. In accordance with the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended (the "Code"), the City hereby finds, determines and designates the Series A Bond as a "qualified tax-exempt obligation" as defined in Section 265(b)(3)(B) of the Code, for the purposes of such Section 265(b) of the Code. The City determines that it and all entities with which it is aggregated under Section 265(b)(3)(E) of the Code have not issued, and do not reasonably expect to issue, tax-exempt obligations which, in the aggregate, exceed or will exceed Ten Million Dollars (\$10,000,000) during the calendar year 2023. The City also determines that it will not engage in any action or inaction which will or may cause the Series A Bond to fail or cease to constitute a "qualified tax-exempt obligation" under Section 265(b)(3) of the Code.

SECTION 7. The City covenants to and with the registered owners of the Series A Bond that it will make no use of the proceeds of such issue or do or suffer any other action which, if such use or action had been reasonably expected on the date of issue of such Series A Bond, would cause such Series A Bond to be an "arbitrage bond" or a "private activity bond" as those terms are defined in Section 148 and Section 141 of the Code and the applicable regulations thereunder. The City further covenants that it will comply with the requirements of such Section 148 and Section 141 and with the regulations thereunder throughout the term of this issue. In addition, the Mayor or Deputy Mayor of the City, being the official(s) responsible for issuing the Series A Bond, attested by the City Administrator or Assistant City Administrator of the City, are hereby authorized and directed to execute and deliver, in the name and on behalf of the City, any and all documents or other instruments which Bond Counsel may reasonably request in connection with the providing of its opinion that the Series A Bond is not an "arbitrage bond" or a "private activity bond" within the meaning of Section 148 and Section 141 of the Code and the regulations promulgated thereunder, including, without limitation, a certificate dated the date of issuance and delivery of the Series A Bond, which certificate shall set forth the reasonable expectations of the City as to the amount and use of the proceeds of the Series A Bond.

SECTION 8. The form of the Series A Bond shall be substantially as shown on the attached Exhibit C and the form of the Series B Bond shall be substantially as shown on the

attached Exhibit D.

SECTION 9. The Bonds shall be executed in the name and under the corporate seal of the City by the Mayor and the Controller of the City and attested to by the City Administrator of the City in substantially the forms attached hereto together with such changes, modifications, insertions and deletions, including the appropriate designation of the year such Bonds are issued, as such officers, with the advice of counsel, deem necessary and appropriate; its execution and delivery thereof shall be conclusive evidence of the approval and authorization by the City of the final terms of the Bonds. The City Administrator, Controller, Treasurer or other proper official of the City is hereby authorized and directed to deliver the Bonds to the Purchasers and receive payment therefor on behalf of the City. The Mayor or Deputy Mayor of the City or the City Administrator or Assistant City Administrator of the City are each, both severally and jointly, authorized and directed to prepare, verify and file the debt statement required by Section 8110 of the Act, and to take other necessary action, including, if necessary or desirable, the filing, either before or after the issuance of the Bonds, additional debt statements or any statements required to qualify any portion of the debt from the appropriate debt limit as self-liquidating or subsidized debt.

The City Administrator, Controller, Treasurer, or other appropriate officer of the City shall deposit into the Sinking Funds, which shall be maintained until such obligations are paid in full, sufficient amounts for payment and interest on the obligations no later than the date upon which such payments shall become due. The Sinking Fund Depository shall, as and when said payments are due, without further action by the City withdraw available monies from the Sinking Funds and apply said monies to payment of the principal of and interest on the respective obligation.

SECTION 11. The Mayor or Deputy Mayor of the City is hereby authorized to contract with The Fidelity Deposit and Discount Bank, Dunmore, Pennsylvania, or such other paying agent which shall be a bank or bank and trust company authorized to do business in the Commonwealth, as may be selected by the Mayor or Deputy Mayor of the City, for its services as Sinking Fund Depository for the Bonds and Paying Agent for the same (the "Paying Agent").

SECTION 12. In compliance with Section 8161 of the Act, the Council has determined that a private sale by negotiation, rather than public sale, is in the best financial interest of the City. The Proposals are hereby accepted and the Bonds in the maximum aggregate principal amount Three Million Two Hundred Eighty-Five Thousand Dollars

(\$3,285,000), herein authorized to be issued and sold, are hereby awarded and sold to the Purchasers in accordance with their commitments to purchase the said Bonds at par provided the said Bonds are dated the date of delivery thereof to the Purchasers and are in substantially the forms set forth in Exhibit C and D to this Ordinance with such changes as may be approved by the officers of the City executing such Bonds; and further provided that the proceedings have been approved by the Department of Community and Economic Development if such approval is required under the provisions of the Act. A copy of the Series A Proposal shall be attached hereto as Exhibit E and a copy of the Series B Proposal shall be attached hereto as Exhibit F. The Proposals shall be lodged with the official minutes of this meeting and are hereby incorporated herein by reference.

SECTION 13. If necessary, the City hereby approves the execution of one or more investment agreements, the purchase of certain U.S. Treasury obligations or any other securities or investments (the "Investments") for investment of the proceeds of the Bonds in connection with the Project and the refunding of the 2023 Note. The City hereby authorizes and directs the Mayor or Deputy Mayor of the City to execute and the City Administrator or Assistant City Administrator of the City to attest any investment agreement on behalf of the City, in the form approved by the Solicitor and Bond Counsel to the City. The Investments shall be limited to those authorized under law for proceeds of the Bonds.

SECTION 14.
