

ORDINANCE NO. 1022

AN ORDINANCE OF THE CITY OF RANCHO CUCAMONGA, CALIFORNIA, AMENDING TITLE 17 OF THE RANCHO CUCAMONGA MUNICIPAL CODE ESTABLISHING NON-STOREFRONT MEDICAL CANNABIS RETAIL AS A USE PERMITTED WITH A MINOR USE PERMIT FOR PROPERTIES LOCATED IN PORTIONS OF THE NEO-INDUSTRIAL (NI) AND INDUSTRIAL EMPLOYMENT (IE) ZONES, AMENDING CHAPTER 8.52 OF TITLE 8 OF THE RANCHO CUCAMONGA MUNICIPAL CODE EXCEPTING CERTAIN NON-STOREFRONT MEDICAL CANNABIS RETAIL FROM THE PROHIBITION ON COMMERCIAL CANNABIS ACTIVITY, ADDING CHAPTER 5.20 TO TITLE 5 OF THE RANCHO CUCAMONGA MUNICIPAL CODE ESTABLISHING REGULATORY AND OPERATIONAL RESTRICTIONS FOR SUCH A NON-STOREFRONT MEDICAL CANNABIS RETAILER, AND MAKING A DETERMINATION OF EXEMPTION FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT

I. Recitals.

A. Chapters 8.52 and 17.94 and Table 17.30.030-1 of the City of Rancho Cucamonga (“City”) Municipal Code (“RCMC”) currently prohibit all commercial cannabis activity in the City, with limited exceptions to allow cannabis activity that the City is required to permit under state law.

B. On October 9, 2015, Governor Brown signed Assembly Bill 243, Assembly Bill 266, and Senate Bill 643 into law, which collectively were known as the Medical Cannabis Regulation and Safety Act (hereinafter “MCRSA”). The MCRSA established a State regulatory and licensing scheme for commercial medical cannabis businesses.

C. On November 8, 2016, California voters approved the Control, Regulate and Tax Adult Use of Marijuana Act (“AUMA”). The AUMA made it lawful under State and local law for persons 21 years of age or older to possess and cultivate limited quantities of cannabis for personal use. The AUMA also established a State regulatory and licensing scheme for commercial adult-use cannabis businesses.

D. On June 27, 2017, the Governor signed into law Senate Bill 94, which repealed the MCRSA, included certain provisions of the MCRSA in the licensing provisions of the AUMA, and created a single regulatory scheme for both medicinal and adult-use cannabis known as the Medicinal and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”). The MAUCRSA retains the provisions in the MCRSA and the AUMA that granted local jurisdictions control over whether cannabis businesses could operate in a particular jurisdiction. Specifically, California Business and Professions Code Section 26200 provides that the MAUCRSA shall not be interpreted to supersede or limit authority of a local jurisdiction to adopt and enforce local ordinances to regulate businesses licensed under the MAUCRSA including, but not limited to, local zoning and land use requirements, business license requirements, and requirements related

to reducing exposure to secondhand smoke, or to completely prohibit the establishment or operation of one or more businesses licensed by the State, within that local jurisdiction.

E. On September 18, 2022, the Governor signed into law Senate Bill 1186 (“SB 1186”), which enacted Medicinal Cannabis Patients’ Right of Access Act. SB 1186 provides that a city cannot adopt or enforce regulations that prohibit the “retail sale by delivery” of medicinal cannabis. This includes any regulation that has the effect of prohibiting patients within the city or their caregivers from purchasing, by delivery, sufficient medicinal cannabis to meet their demands in a timely and readily accessible manner. Examples of prohibited regulations include prohibiting retail sale by delivery of medicinal cannabis within the jurisdiction being conducted by a licensed non-storefront retailer.

F. The City Council desires to establish reasonable zoning and land use regulations regarding the operation of non-storefront medical cannabis retailers that are intended to address the potential negative impacts of cannabis businesses on the community.

II. Findings.

The City Council finds that adoption of this Ordinance is not subject to the California Environmental Quality Act (“CEQA”), pursuant to State CEQA Guidelines Sections 15060(c)(2) and 15061(b)(3). The activity is not subject to CEQA because it will not result in a direct or reasonably foreseeable indirect physical change in the environment; and the activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, the activity is not subject to CEQA. The businesses authorized under these proposed Development Code and Municipal Code text amendments are similar to already existing permitted general uses such as retail, with the only difference being the product sold or consumed (i.e., cannabis). This Ordinance does not change the zoning for any properties, meaning that they do not create negative environmental impacts or result in physical changes to the environment. Non-storefront medical cannabis retailers developed pursuant to this Ordinance would be independently reviewed and evaluated pursuant to CEQA. City staff shall cause a Notice of Exemption to be filed as authorized by CEQA and the State CEQA Guidelines.

III. Ordinance.

The City Council of the City of Rancho Cucamonga does ordain as follows:

5.20.110 Appeals.

A. Lottery appeals. If a non-storefront medical cannabis retailer applicant is denied the opportunity to participate in the lottery due to the applicant's failure to submit a complete application by the required deadline, failure to satisfy the criteria for issuance of a permit, or for any other reason, the applicant may appeal this decision in writing. The written appeal shall be filed with the city clerk within ten days of the issuance and mailing of the written decision by the city manager on the application accompanied by the appeal fee as adopted by resolution of the city council. The appeal shall be conducted in accordance with subsection C. Notice of the time and place of the hearing shall be mailed to the applicant, by certified mail, no later than ten days prior to the date set for the hearing. The notice may also designate certain records that the applicant is required to produce at the time of the hearing.

At the hearing as prescribed by this section, the applicant and the city may submit any and all evidence as they believe to be relevant. The city council may require the presentation of additional evidence from either the applicant or the city, or from both, and may continue the hearing from time to time for the purpose of allowing the presentation of additional evidence. The city, at its sole discretion, may participate at its own expense in the defense of any such action, but such participation shall not relieve the applicant of any of the obligations imposed hereunder.
