Town of Red Hook

Local Law No. 5 of 2023

A LOCAL LAW AMENDING CHAPTER 131 OF THE TOWN CODE ENTITLED  
VEHICLES AND TRAFFIC TO PROVIDE FOR REGULATION OF STOP  
INTERSECTIONS AND CROSSWALKS AND EXCLUSION OF CERTAIN  
COMMERCIAL VEHICLES FROM SPECIFIED LOCAL HIGHWAYS

Be it enacted by the Town Board of the Town of Red Hook as follows:

SECTION 1. LEGISLATIVE INTENT

The Town Board of the Town of Red Hook has determined to establish a procedure for designation of stop signs and crosswalks from time to time. The Town Board has further been advised, and from its own observation has ascertained, that the operation of certain trucks and similar vehicles at an accelerated rate has caused deterioration to Town highways. The Town Board finds that prohibiting the operation of heavier trucks and similar vehicles on certain Town highways, including particularly those in areas with shared pedestrian use and school routes, will benefit the health, safety, and welfare of the public while still providing suitable connection with all state routes entering or leaving the Town. Further, this law will help reduce the overall damage caused by heavier trucks and similar vehicles operating on the Town's highways, thereby reducing maintenance and repair costs and helping to preserve the Town's limited resources.

## SECTION 2. STATUTORY AUTHORITY

This law is adopted pursuant to § 1660, subs.(a)(1), (a)(14), (a)(17) and (a)(28), and of the New York State Vehicle and Traffic Law and the New York State Municipal Home Rule Law.

## SECTION 3. APPLICATION

- B. The Highway Superintendent shall install and maintain traffic control devices at all locations where designated in such inventory.

- B. Notwithstanding the above exclusion, this section shall not be construed to prevent (1) the delivery or pickup of merchandise or other property along the highways from which such trucks and vehicles are otherwise excluded, provided that the route taken to effect such delivery or pickup is the most direct route from the nearest State access or County highway; (2) vehicles providing emergency services; (3) school buses; (4) public utility vehicles or (5) the use of these highways by such trucks and vehicles if the Town Superintendent of Highways determines that the use is necessary to assist in the maintenance, service and repair of highways, sidewalks, sewers and other similar public improvements or the installation of such.

**SECTION 5. SEVERABILITY**

**SECTION 6. EFFECTIVE DATE**
