Mr. Bill Smart
City Engineer, City of Rensselaer
62 Washington Street
Rensselaer, NY 12144

**Re: D040079/PIN 1761.65– Third Ave Pavement Preservation
City of Rensselaer, NY**

Dear Mr. Smart:

In accordance with Chapter 14 of the Procedures for Locally Administered Federal Aid Projects, enclosed is the Contract Award Documentation Package as prepared by GPI/Greenman-Pedersen, Inc. for the subject project. The award package has been prepared in accordance with Chapter 14 of these Procedures. The documentation for the Contract Award Package follows the list as shown in Section 14.4.

A) Proof of Advertising

The contract appeared in the New York State Contract Reporter on June 3, 2021. A copy of this confirmations of this submission are enclosed.

B) Memorandum of Bids

The Memorandum of Bids is enclosed and **requires your signature**. The spreadsheet shows the Engineers Estimate of Quantities and Unit Prices. The memorandum also shows the unit prices bid by all bidders.

C) Verification of the Low Bidder (mathematical certification)

GPI/Greenman-Pedersen, Inc. completed the mathematical certification of the low bidder on June 25, 2021 as part of the bid analysis. No corrections were necessary to the low bidder's tabulations. However, the project will be awarded to the second lowest based on base bid + bid alternate pricing due to the lowest bidder's inability to meet the DBE goals set forth by the project.

D) Recommendation of Award by Sponsor

Enclosed is the Recommendation of Award proposing award of the contract to **DeSignore Blacktop Paving, Inc. of Troy, NY**. This recommendation **requires your signature**.

E) Copy of Signed Proposal of the Verified Low Bidder

The proposal included all of the required items as identified in the bid completeness check as found in the information to bidders including all necessary federal aid contractor requirements, including the following:

- Non-collusive Bidding Certification
- Bid bond
- Lobbying Certification
- D/M/WBE Goals
- Debarment History Certification

F) Bid Analysis from Sponsor

The following components have been addressed in conducting the bid analysis:

1. The contract advertisement met the contract advertisement requirements by advertising for a minimum of three (3) weeks in advance of the bid opening in the New York State Contract Reporter. Given that 4 firms/vendors firms bid on the contract; adequate competition has been secured.
2. Bids were opened on June 25, 2021 at 10:00 AM.
3. The low bidder proposed for award is not the same low bidder that was determined at the bid opening. The lowest bidder, omitting New Castle Paving, LLC due to inability to meet DBE goal requirements, is DelSignore Blacktop Paving, Inc.
4. The low bid with the bid alternate is 25.54% above the engineers estimate and 1.41% below the next bidder. A review of all bids does not indicate unbalanced bidding by the apparent low bidder.

G) Documentation demonstrating the low bidder's good faith effort of Disadvantaged Business Enterprise Competition

In accordance with Paragraph 13.5.1 of the Procedures, the goals outlined in the Contract Proposal which was signed by DelSignore Blacktop Paving, Inc.; there is a DBE goal of 6% for this contract. DelSignore Blacktop Paving, Inc. has acknowledged there is a goal and will need to complete EBO prior to NYS DOT issued concurrence.

H) Certification of the Low Bidder Responsibility

Using the following guidelines as established by the Governor's Executive Order #170.1 the low bidder has been determined to be responsible.

1. The low bidder does not lack the expertise, experience or financial resources to complete the project.
2. There is no apparent criminal conduct in connection with government contracts.
3. The low bidder has not demonstrated grave disregard for the personal safety of employees, government personnel, or members of the public.
4. The low bidder has no record of willful non-compliance with prevailing wages.
5. The low bidder has no other significant labor law violations.
6. The low bidder has no apparent violations of the Workers Compensation Laws.
7. The low bidder has no apparent criminal conduct involving violations of Environmental Conservation Law or other environmental statutes.
8. The low bidder has demonstrated good faith efforts to comply with Federal or State statutes and regulations regarding efforts to solicit and utilize Minority, Women or Disadvantaged Business Enterprises on government contracts.
9. The low bidder apparently complies with State and Federal equal opportunity statutes and regulations.
10. There are no other causes so serious and compelling that it raises questions about the present responsibility of the low bidder.

In addition to the items above, the following checks have been performed as part of the review for bidder responsibility:

- A check of the General Services Administration's List of Debarred, Suspended, or Voluntarily Excluded Firms Ineligible for Federal Aid has been made and to DelSignore Blacktop Paving, Inc. does not appear.
- A check of the Department of Labor's monthly list of firms debarred for willful violations of the labor law has been made and to DelSignore Blacktop Paving, Inc. does not appear.
- A check of the Department of State's Corporation database has been made and DelSignore Blacktop Paving, Inc. has the proper authority to conduct business in New York State.

- A check with the Office of Safety and Health Administration for possible safety violations shows that DeSignore Blacktop Paving, Inc. has no record of any violations.

I) Certification of resolution of conditional approval Items at PS&E Approval

There were no conditional approval Items at the time of PS&E approval.

J) Copy of all amendments/addendum not included in with the original proposal

There were no amendments/addenda issued for the project.

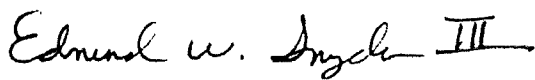

K) A description from the Sponsor on how they intend to inspect and provide QA/QC

1. Contract Inspection: The City of Rensselaer will retain GPI to provide daily on-site construction inspection services. A CMP was transmitted as part of the PSE package.
2. Project QA/QC: The project will be administered in accordance with the latest New York State Department of Transportation Standard Specifications. The City of Rensselaer will require all manufacturers, vendors, contractor and construction inspection engineers to certify materials and workmanship ensuring they conform to the Specifications. There shall be sufficient documentation in accordance with the Specifications to ensure project expenditures remain eligible for Federal reimbursement.

GPI/Greenman-Pedersen, Inc. recommends the City of Rensselaer award the subject project to DeSignore Blacktop Paving, Inc. If you are in concurrence with this, please include all supporting documents (A-K above) in a letter to NYSDOT Region 1 (attached) to complete the Award Documentation Package requirements.

Should you have any questions regarding the enclosed information or require any additional information, please feel free to contact me at (518) 453-9431 ext 1545 or esnyder@gpinet.com.

Sincerely,
GPI/Greenman-Pedersen, Inc.

IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date, at which time it will be posted on the OGS website.

By entering into this Contract, Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list. Additionally, Contractor agrees that after the list is posted on the OGS website, should it seek to renew or extend the Contract, it will be required to certify at the time the Contract is renewed or extended that it is not included on the prohibited entities list. Contractor also agrees that any proposed Assignee of the Contract will be required to certify that it is not on the prohibited entities list before the New York State Department of Transportation (NYSDOT) may approve a request for Assignment of Contract.

During the term of the Contract, should NYSDOT receive information that a person is in violation of the above referenced certification, NYSDOT will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then NYSDOT shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

NYSDOT reserves the right to reject any request for assignment for an entity that appears on the prohibited entities list prior to the award of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the prohibited entities list after contract award.

NON-COLLUSIVE BIDDING CERTIFICATIONS

REQUIRED BY SECTION 139-D, STATE FINANCE LAW and SECTION 103-D OF GENERAL MUNICIPAL LAW

"Section 139-d, SFL and Section 103-d, GML, "Statement of non-collusion in bids to the state."

1. Every bid hereafter made to the state or any public department, agency, or official thereof, where competitive bidding is required by statute, rule, or regulation, for work or services performed or to be performed or goods sold or to be sold, shall contain the following statement subscribed by the bidder and affirmed by such bidder as true under the penalties of perjury:

Non-collusive bidding certification.

(a) By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid, each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his knowledge and belief:

(1) The prices in this bid have been arrived at independently without collusion, consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;

(2) Unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

(3) No attempt has been made or will be made by the bidder to induce any other person, partnership, or corporation to submit or not to submit a bid for the purpose of restricting competition.

(b) A bid shall not be considered for award nor shall any award be made where (a)(1)(2) and (3) above have not been complied with; provided however, that if in any case the bidder cannot make the foregoing certification, the bidder shall so state and shall furnish with the bid a signed statement which sets forth in detail the reasons therefore. Where (a)(1)(2) and (3) above have not been complied with, the bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the state, public department, or agency to which the bid is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that the bidder (a) has published price lists, rates, or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items or (c) has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph one (a).

2. Any bid hereafter made to the state or any public department, agency, or official thereof by a corporate bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, or regulation, and where such bid contains the certification referred to in subdivision one of this section, shall be deemed to have been authorized by the board of directors of the bidder and such authorization shall be deemed to have included the signing and submission of the bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation."

REQUIRED BY TITLE 23, U. S. CODE, AND SECTION 112. A NON-COLLUSIVE BIDDING

Code-Highways that the said Contractor has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the above contract."

REQUIRED BY TITLE 49, CFR, VOLUME 1, SUBTITLE A, PART 29

Re: PIN 1761.65 Third Ave Pavement Preservation
City of Rensselaer
Rensselaer County, NY

Dear Mr. Distefano:

On June 25, 2021, we received bids for the subject project which is total fulfillment of our federally funded project. The project was authorized for a letting by your office May 20, 2021. The project was advertised for 21 days beginning June 3, 2021. We received 4 bids, of which are tallied in order as follows:

COMPANY	BASE BID	BASE BID + BID ALT
ENGINEER'S ESTIMATE	\$327,899.69	\$415,120.00
NEW CASTLE PAVING LLC	\$303,471.12	\$392,630.68
DELSIGNORE BLACKTOP PAVING, INC.	\$318,845.56	\$411,654.76
PETER LUIZZI & BROS CONTRACTING, INC.	\$308,147.75	\$416,196.50
CALLANAN INDUSTRIES INC.	\$398,054.72	\$536,748.22

Bid dismissed

New Castle Paving was the apparent low bidder however they were not able to fulfil the contract requirements and subsequently their bid has been rejected. The second apparent low bidder has been verified and the City of Rensselaer is recommending that DelSignore Blacktop Paving, Inc. be chosen for the award as follows:

Federal Aid Funding PIN 1761.65 (80%):	\$329,323.81
Non-Federal Aid Share (City) PIN 1761.65 (5%):	\$82,330.95
Total Bid:	\$411,654.76

The award is NOT recommended to be made to the lowest bidder. Due to the lowest bidder's inability to achieve the DBE goals set forth by the project, the award is recommended to the next lowest bidder including the bid alternate. The recommended bid does contain individual quantity bids which are 25 percent or more over/under the engineer's estimate. There are fifteen (15) items

over the above percentage. The engineer's estimate unit costs were based on the DOT's Transport Program for estimating. The estimate for this project was updated in March 2021 and was based on contracts that were awarded over the past year. The contractor's unit prices over/under 25% is as follows:

Item #	Description	Qty	Unit	ENGINEERS ESTIMATE		DELSIGNORE BLACKTOP PAVING, INC.		
				Unit Cost	Total Cost	Base Unit Cost	Total Cost	% Diff
203.02	UNCLASSIFIED EXCAVATION AND DISPOSAL	47	CY	\$60.00	\$2,820.00	\$208.09	\$9,780.23	246.82%

680.77000205	MODIFY TRAFFIC SIGNAL EQUIPMENT	1	ELOC	\$1,500.00	\$1,500.00	\$2,350.00	\$2,350.00	56.67%
680.81500010	PEDESTRIAN COUNT-DOWN TIMER MODULE	6	EA	\$200.00	\$1,200.00	\$265.00	\$1,590.00	32.50%
680.82250308	REMOVE AND DISPOSE PEDESTRIAN PUSHBUTTONS AND SIGNS	2	EA	\$80.00	\$160.00	\$110.00	\$220.00	37.50%
680.82250608	REMOVE AND DISPOSE PEDESTRIAN POLE AND FOUNDATION	3	EA	\$400.00	\$1,200.00	\$1,100.00	\$3,300.00	175.00%
685.11	WHITE EPOXY REFLECTORIZED PAVEMENT STRIPES - 20 MILS	5200	LF	\$1.75	\$9,100.00	\$2.20	\$11,440.00	25.71%

The following items are work that will be performed by a subcontractor. Since the items are performed by a subcontractor specializing in the work operation, the site constraints and high traffic are major components for the high bid price. Subcontractors may require specialized

equipment and may require additional installation time to perform the operation; therefore, their costs are higher and subsequently the contractors bid price is higher than the engineers estimate.

- ITEM 609.0201 - STONE CURB, GRANITE, (TYPE A) is 69.23% above the engineer's estimate.
- ITEM 680.25000001 - SHIELDED MAGNETOMETER, MICROWAVE AND ULTRASONIC DETECTORLEAD-IN CABLE is 100% above the engineer's estimate.
- ITEM 680.77000205 - MODIFY TRAFFIC SIGNAL EQUIPMENT is 56.67% above the engineer's estimate.
- ITEM 680.81500010 - PEDESTRIAN COUNT-DOWN TIMER MODULE is 32.5% above the engineer's estimate.
- ITEM 680.82250308 - REMOVE AND DISPOSE PEDESTRIAN PUSHBUTTONS AND SIGNS is 37.5% above the engineer's estimate.
- ITEM 680.82250608 - REMOVE AND DISPOSE PEDESTRIAN POLE AND FOUNDATION is 175% above the engineer's estimate.
- ITEM 685.11 - WHITE EPOXY REFLECTORIZED PAVEMENT STRIPES - 20 MILS is 25.71% above the engineer's estimate.

The following items likely have higher costs in comparison to the engineers estimate due to the relatively small quantities:

- ITEM 610.1403 - TOPSOIL - LAWNS is 40% above the engineer's estimate.
- ITEM 610.1602 - TURF ESTABLISHMENT - LAWNS is 100% above the engineer's estimate.

The following drainage related items are generally higher than the engineers estimate due to their small quantities and current price escalation in steel. These items may require longer lead times as well, which may have contributed to a higher cost:

- ITEM 206.0201 - TRENCH AND CULVERT EXCAVATION is 50% above the engineer's estimate.
- ITEM 603.77 - CONCRETE COLLAR is 33.33% above the engineer's estimate.
- ITEM 603.9812 - SMOOTH INTERIOR CORRUGATED POLYETHYLENE CULVERT AND STORM DRAIN 12 INCH DIAMETER is 117.95% above the engineer's estimate.
- ITEM 621.04 - CLEANING DRAINAGE STRUCTURES is 352.17% above the engineer's estimate.

The following items have the largest dollar increase over the engineer's estimate likely due to the nature of the project, lack of disposal areas and extensive traffic:

- ITEM 203.02 - UNCLASSIFIED EXCAVATION AND DISPOSAL is 246.82% above the engineer's estimate.
- ITEM 304.12 - SUBBASE COURSE, TYPE 2 is 164% above the engineer's estimate.

I have enclosed a copy of the signed bid proposal from the recommended bidder, a signed non-collusive bidding statement, debarment history certification, memorandum of bids, there is a DBE Utilization requirement of 6% for this project, and an EBO project setup file has been emailed to your attention for necessary activation.

I hereby certify that to the best of my knowledge and belief all applicable federal and municipal bidding procedures were followed, the low bid is a reasonable and acceptable bid for the contract

work, and the contractor who submitted the low bid is qualified and capable to satisfactorily perform the contract work.

I hereby certify recommended bidder responsibility as outlined in Section 14.3.1 of the NYSDOT Local Procedures Manual.

We request your concurrence to award this contract. If you have any questions, please contact me at (518) 857-7270.

Kind regards,
City of Rensselaer

WHEREAS, each year, approximately 21,980 women will be diagnosed with ovarian cancer, and roughly 14,000 women will succumb to this terrible affliction. Many women don't seek help until the disease has begun to spread, but if detected at its earliest stage (Stage 1), the five-year survival rate is more than 93%; and

WHEREAS, most new cases of ovarian cancer are diagnosed at Stage 3 or later, meaning the cancer has already begun to spread to the lymph nodes and outside of the pelvis; and

WHEREAS, Turn the Towns Teal is a national campaign to make women and men aware of ovarian cancer, and its subtle symptoms and risk factors, since it has been proven that “the earlier the diagnosis, the better the prognosis”; and

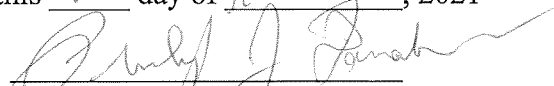

WHEREAS, during National Ovarian Cancer Awareness Month in September, volunteers from “Turn the Towns Teal” call attention to this disease by displaying biodegradable, USA-made ribbons in various locations like town and city centers, businesses, places of worship, neighborhoods and on individual properties; now, therefore, be it

RESOLVED, that September 2021 is hereby proclaimed Ovarian Cancer Awareness Month in the City of Rensselaer; and, be it further

Camera Evaluation

The purchase of a Sewer Crawler System will save the City of Rensselaer money in a very short period of time.

Example:

Mandated City Camera Work (DEC Order on Consent)-8000 feet per year
Other camera work -2000 feet per year

Outside contractor can do 2000 feet per day = 5 days' work

Outside contractor cost (presently) = \$3,800.00 per day with camera and vac truck

5 days x \$3,800.00 per day = \$19,000.00 per year

Camera System Cost

IRIS Main Sewer Crawler System with parts and training
Cost - \$36,921.00

This will mean the sewer camera is paid for in less than 2 years considering \$19,000 per year savings. An eight year savings to the city after the 2 year payment would be \$152,000.

Camera can also be used to generate revenue by working with other towns and be used in Rensselaer County getting shared services.

Money to purchase comes from the Sanitary Sewer Contractual Services and Other Equipment lines in this year's budget.
