July 25, 1974

Dear Sirs,

The residents of the Aiken Ave. and adjacent rezoned area wish to take this opportunity to express our gratitude and appreciation to the Common Council for the expedient and professional manor in which our petition was processed.

The action of this Council reflected the true image to which it's members are dedicated. In these trying times of goverment procedures it's a rare occasion when the Needs and Will of the people are taken into consideration.

A special thanks to Mayor Mink for his patience and understanding and Alderman Hunt who devoted much of his free time to this project.

Respectively
