Mr William Hardt, President,
Common Council,
Rensselaer, N. Y.

Dear Mr President and Council:-

At the last meeting July 28th 1950 of the Eastland Park Improvement Association, I N C. I was directed to write regarding the following play ground in Eastland Park, we would like to know why wood is used instead of metal for the back stops as promised, also why the play grounds havent been completed for the childrens use, it was promised by the time school closed.

Also what has happend to the resulation passed last year to resurface the following Pershing, Birchwood and Elmhurst Avenues.

Hear many complaints about some of the streets not being marked, understand that the signs have been purchased for them.

Trusting you will give this your earliest consideration as it will be gratly appreciated.
