Hon. H. C. Younghans
City Clerk
Rensselaer, N. Y.

Dear Sir:

Receipt is acknowledged of your letter of
February 7, 1946, quoting communication received
from the Water Committee of the City of Rensselaer.

Respectfully submitted,

ORDINANCE NO. 2 FOR 1946

AN ORDINANCE REGULATING TAXICAB DRIVERS AND PROVIDING FOR THE ESTABLISHMENT OF RULES AND REGULATIONS IN CONNECTION WITH LICENSES ISSUED TO TAXICAB DRIVERS; PROVIDING PENALTIES FOR THE VIOLATION THEREOF, AND REPEALING ALL OTHER ORDINANCES OR PARTS OF ORDINANCES IN CONSISTENT HEREWITH.

The City of Rensselaer, in Common Council convened, does ordain as follows:

SECTION 1. DEFINITIONS. Unless otherwise expressly stated, wherever used in this Ordinance, the following words shall have the meaning given to them by this section:

1. "street" or "highway" shall include that part of the public highway or a bridge located in the City of Rensselaer, intended for vehicles.

2. "taxicab" shall mean and include any motor vehicle engaged in the business of carrying persons for hire, whether the same be operated from a street stand or subject to calls from a garage, or otherwise operated for hire, except vehicles subject to the provisions of the transportation corporation law, or used by undertakers in carrying on their business.

3. The words "driver's license" shall mean and include permission granted by the City of Rensselaer to any person to drive upon the streets of such city any taxicab.

4. The word "person" shall mean and include one or more persons of either sex, natural persons, corporations, partnerships, associations, joint stock companies, societies and all other entities of any kind capable of being used.

5. The words "taxicab driver" shall mean any person who engages in the business of driving a taxicab, whether such person be the owner or such taxicab or employed by a taxicab owner or operator.

6. The word "operator" shall mean and include any person owning or having control of the use of one or more taxicabs used for hire upon the streets of the City of Rensselaer engaged in the business of operating a taxicab.

SECTION 2. GENERAL REQUIREMENTS. It shall be unlawful for any person to engage in the business of driving or operating

for hire or pay within the limits of the City of Rensselaer any taxicab without first having obtained a license to drive and a license for operating, and having the same in force and in effect, under the provisions of this ordinance.

SECTION 3. DRIVER'S LICENSE REQUIRED. No person shall engage in the business of driving a taxicab, and no person owning or authorized by the owner to use, shall permit anyone to engage in the business of driving a taxicab within the limits of the City of Rensselaer without such driver having first obtained and having in force and effect a driver's license under the provisions of this ordinance.

SECTION 4. APPLICATION FOR DRIVER'S LICENSE. Each applicant for a driver's license must comply with the following to the satisfaction of the Chief of Police.

(a.) Must first have obtained a New York State chauffeur's license.

(b.) Be of the age of eighteen or over.

(c.) Be of sound physique with good eyesight and not subject to epilepsy, vertigo, heart trouble or any other infirmity of body or mind, which might render him unfit for the safe operation of a public vehicle.

(d.) Be able to read and write the English language.

(e.) Be clean in dress and person and not addicted to the use of intoxicating liquor or drugs.

(f.) Produce, on forms to be provided by the Chief of Police, affidavits of good character from two reputable citizens of the City of Rensselaer, who have known him personally and have observed his conduct for at least one year next preceding the date of his application; and a further testimonial on a form provided for that purpose, from his employer; unless, in the opinion of the Chief of Police sufficient reason is given for its omission.

(g.) Fill out, upon a blank form to be provided by the Chief of Police, a statement giving his full name, residence, places of residence for five years previous to moving to his present address, age, color, height, color of eyes and hair, place of birth,

length of time he has resided in the City, whether a citizen of the United States, places or previous employment, whether married or single, whether he has ever been arrested or convicted of a felony or misdemeanor, whether he has been previously licensed as a driver or chauffeur, and if so, whether his license has ever been revoked, and for what cause, and the number of the chauffeur's license issued by the state, which statement shall be signed and sworn to by the applicant and filed with the Chief of Police as a permanent record. Any false statements by the applicant for a driver's license shall be promptly reported by the Chief of Police to the District Attorney of Rensselaer County. The Chief of Police is hereby authorized and empowered to require such additional information as he may deem necessary.

SECTION 5. EXAMINATION OF DRIVERS. Each applicant for a driver's license shall be examined by the Chief of Police, or some person designated by him as to his knowledge of the provisions of this ordinance, the traffic regulations of the city, the motor vehicle and general highway traffic laws of the state, and the geography of the city, and, if the results of the examination are unsatisfactory, he shall be refused a license.

SECTION 6. PHOTOGRAPH OF DRIVER. Each applicant for a driver's license must file with his application three unmounted, unretouched, photographs of himself in such position as the Chief of Police may direct, taken within thirty days preceding the filing of his application. The photographs shall be of a size which may be easily attached to his license, one of which shall be attached to the license when issued, one shall be filed with his application and the other attached to a conspicuous place in the taxicab which licensed driver is operating so as to be seen by the passenger or passengers in the taxicab. When the application for the license is denied two copies of the photograph shall be returned to the applicant by the Chief of Police.

SECTION 7. FINGER PRINTS OF DRIVER. Each applicant for a driver's license shall file with his application impressions

of the fingers of his right and left hand. Such impressions shall be placed upon forms furnished by the Chief of Police, the impressions to be taken under the supervision of such licensing official, or some one designated by him, at such place or places as may be designated by such licensing official. Applications, with photographs and finger print impressions attached, shall forthwith be filed with the Chief of Police, and no license shall be issued under the provisions of this ordinance until the filing in writing by the Chief of Police, of a report showing the results of the investigation and examination of finger print impressions; provided, however, that a temporary license may be issued pending such investigation not to exceed twenty days. Provided, further, that the Chief of Police shall have power and authority to refuse a license to any person who has been convicted of a felony, if in his opinion he deems that such person is not a proper and fit person to have such license.

SECTION 8. FORMS AND TERMS OF DRIVER'S LICENSE. Upon satisfactory fulfillment of the foregoing requirements, there shall be issued to the applicant a license which shall be in such form as to contain a photograph and signature of the licensee, and blank spaces upon which a record may be made of any arrest or serious complaint against him. Each license shall be stamped by the seal of the city upon at least a portion of the photograph. All licenses shall be numbered in the order in which they are issued and shall contain the name and place of residence of the licensee and the dates of issuance and expiration of the license. Any licensee who defaces, removes, or obliterates any official entry made upon his license shall be punished by the revocation of his license. Driver's licenses shall be issued as of January 1, in each and every year, and shall be valid to and including December 31, next succeeding, unless previously suspended or revoked. No temporary permit shall be issued except when an extraordinary public emergency arises affecting transportation of the public upon the streets within the city; such temporary

permits when issued shall be upon such terms and conditions as the Chief of Police, Mayor of the City, and Corporation Counsel shall provide, but such temporary permit shall in no event be granted for a longer period than twenty days, and may be renewable for similar periods, from time to time as may be necessary, only upon the written recommendation of the Chief of Police made to the Common Council, and approved by it. Such license or permit shall be carried by the licensee at all times when operating or in charge of any taxicab.

SECTION 9. DRIVER'S BADGE. There shall be delivered to each licensed driver, a metal badge, of such form and style as the Chief of Police may prescribe, with his license number thereon which must, under penalty of revocation of the license, be constantly and conspicuously displayed on the outside of the driver's garment when he is engaged in his employment.

SECTION 10. RENEWAL OF DRIVER'S LICENSE. The Chief of Police may renew a driver's license from year to year by appropriate endorsement thereon. A driver, in applying for a renewal of his license shall make such application within thirty days next proceeding its expiration upon a form to be furnished by the Chief of Police, entitled "Application for Renewal of License," which shall be filled out with the full name and address of the applicant together with a statement of the date upon which his original license was granted and the number thereof, and such other information as the licensing official may deem necessary.

SECTION 11. SUSPENSION OR REVOCATION OF DRIVER'S LICENSE OR PERMIT. A driver's license or permit may be suspended by the Chief of Police at any time for violation of the provisions of the Vehicle and Traffic Law or any other penal statute of the State of New York, or for the violation of any of the provisions of this ordinance or any ordinance of the City of Rensselaer relating to traffic or for the violation of any rule or regulation lawfully adopted by the Chief of Police relating to traffic or parking, or the making of any false statement of a material fact in his

application for the license. Upon charges duly made the Chief of Police shall have the power and authority if he suspends the license to take up the driver's license until the hearing and determination, if any, of the charges made against the license holder. All charges made against the holder of the driver's license shall be in writing and shall be filed in the office of the Chief of Police. Within ten days after the filing of such charges a copy of the written charges shall be given to the holder of the license together with a notice that upon a certain date, stating time and place, a hearing will be had upon the charges before the Chief of Police, and an opportunity will be given to the license holder to answer such charges. A copy of the said charges shall be given personally to the license holder, or by having the same mailed to him at the address set forth in the driver's application for the license. If no charges are made and filed within ten days after any suspension of the license, the license shall together with the driver's badge be returned to the license holder. At the time and place set forth in the notice for the hearing the Chief of Police shall hear the charges, and the driver whose license has been suspended shall be given an opportunity to be heard upon the charges filed against him.

The Chief of Police shall have the power to issue subpoenas to compel the attendance of witnesses and shall upon request of the driver whose license has been suspended issue subpoenas to him for the purpose of having witnesses appear in his behalf. The Chief of Police shall have the power to sign such subpoenas to compel the attendance of witnesses. Upon the hearing the Chief of Police shall hear, try and determine the charges preferred against the holder of the license. The driver whose license has been suspended shall have a right to be present and to be heard in person or by counsel and give and furnish evidence in his defense. At the termination of the hearing, if the Chief of Police determines that the charges are true, and are sufficient to cause the license to be revoked, he shall have the power to revoke the license or suspend the operation of the license for a definite period, or he may dismiss such charges. Until the

hearing and determination of the charges, the suspension of the license made in the first instance shall continue. If he determines that the license shall be revoked the driver's badge shall not be returned to him. If he determines that the license shall be suspended for a definite period, at the end of such definite period he shall return the driver's badge to the licensee and if he dismisses the charges filed against the driver he shall return the license badge to the licensee. No driver whose permit or license shall be revoked shall be licensed as a taxicab driver in the City of Rensselaer unless upon presentation of reasons satisfactory to the Chief of Police.

SECTION 12. RECORD OF DRIVER'S LICENSES AND PERMITS.

There shall be kept in the office of the Chief of Police a complete record of each license or permit issued to a driver, and of all renewals, suspensions or revocations thereof, which record shall be kept on file with the original application of the driver for a license.

SECTION 13. REPEAL OF ORDINANCES. The part or parts of all ordinances of the Common Council of the City of Rensselaer heretofore passed and now in force inconsistent herewith are hereby repealed.

SECTION 14. PENALTIES. Any person violating this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be liable to a fine which shall not exceed \$100.00 in amount, or to imprisonment not exceeding 100 days, or to both such fine and imprisonment.

SECTION 15. DECLARATION OF INVALIDITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the validity of the remainder of the subdivision and of the application of such subdivision and of the application of such subdivision to other persons and circumstances shall not be affected thereby.

SECTION 16. The Ordinance shall take effect immediately upon completion of publication pursuant to Section 83 of the Rensselaer City Charter.
