*veto hearing ordinance 2 law.*

Mayor Wright held a public hearing on the following Ordinance:

Whose speaking in favor of the same was  
old Waugh who stated that he believed that  
no harm would come from the same and that it  
would be better to have young folks attending the  
same than running around the streets and getting  
in to trouble that he had two girls and during  
the school session their time was taken up by  
home work and would be glad to go to a movie  
on Sunday. also that a party would be glad  
to take over the night spot and make extra  
improvement there by increasing the valuations and  
be a benefit to the city

Chas Miller of 1513 Fifth Street stated that  
he had \$ or 9 thousand dollar invested and  
by allowing Sunday hours he would be able to  
rent the Building and provide the city with some  
amusement as all other cities and towns had  
Sunday hours.

all that spoke against the Ordinance and  
stated that he believed 6 days a week was enough  
no one else wishing to speak on the Ordinance the  
Mayor declared the hearing closed. after which the  
following vote was recorded:

City Eng reported that a head wall at the sewer in second  
ave had fallen down and partly blocked the sewer and  
stated that a new wall either of concrete or corrugated  
cast should be built probably at a cost of 2000.

old wright was awarded by old Hart that the city eng be  
directed to prepare plans and specifications for installing a  
iron flow from the sewer in Wash ave at the Sunnyside  
Gate at a cost not to exceed \$200.00 (vote all  
copy to Haynes)

Gentlemen:

Kindly be advised that I hereby veto and return Resolution 132 introduced by Alderman Boyd, providing for the sale of the City's interest in certain tax sale property.

I have vetoed this Resolution, because I feel that a sale of this nature, wherein the tax sales only extend back over a period of six years, would be unfair to the other tax payers of this City and would set a very unwise and dangerous precedent.

Respectfully yours,

*William T. Wright*
