B. Alternate parking relief; Parking Trust Fund.

- (1) Legislative intent. The Board of Trustees hereby finds that a shortage of municipal and private off-street parking exists within the Village, thus creating congestion and also causing a negative impact upon the viability of the Village's business community. The Board also finds that an alternate method of obtaining a parking variance other than that set forth in § 470-114B(2)(b) will be in the best interests of the Village and will promote the health, safety and welfare of the community. Accordingly, in order to further the goal of creating future municipal and private off-street parking in the Village, the Board hereby seeks to establish a Parking Trust Fund.
- (2) Creation of Parking Trust Fund. There is hereby created a Parking Trust Fund in the Incorporated Village of Roslyn for the purpose of receiving funds upon the granting of alternate parking variances and for the further purpose of providing a source of funds for the provision of future municipal off-street parking, including the acquisition of land for said purpose.
- (3) Alternate parking variance procedure. In addition to the granting of parking variances pursuant to § 470-114B(2)(b) of this chapter, the Zoning Board of Appeals shall be authorized to grant an alternate form of variance as set forth herein. The Zoning Board of Appeals may vary the parking requirements established in this section by reducing the number of parking spaces required for a specific use or structure at the property under consideration, provided that any such variance shall only be granted subject to a condition requiring a payment to the Village of the sum of \$2,500 per parking space so waived, varied or modified for deposit by the Village into the Parking Trust Fund.

- (4) Dedicated trust fund. Any moneys deposited into the Parking Trust Fund shall constitute a trust fund to be used by the Board of Trustees exclusively for municipal off-street parking, including the acquisition, improvement and maintenance of land, facilities or parking equipment for said purpose.
- (5) Payment required. Payment of the required fee to the Parking Trust Fund pursuant to an alternate parking variance grant of the Zoning Board of Appeals shall be a prerequisite to the issuance of a building permit or other municipal certificate.
