Welsh Street Project - Pedestrian Mall

We were brought up to date on the project - shown preliminary designs from the engineering firm of Enner and Kesslering. The idea was from the Creative Economy group to establish an open air market. Center Street would connect to Trapp Street and be a straight shot into the Plaza. A land swap with Brick Lane would have to occur to maintain the plaza parking. Welsh Street would become a pedestrian mall and the city would gain developable land that

is under utilized.
 Stake Holders are the City, Mark Foley, TD Bank and Brookmans plaza owners. A Resolution is requested for city support to obtain a Community Block grant which will require matching funds. This will allow us to move forward to determine cost and decide feasibility of the project.
 Information only - RFA to bring Resolution to Next Community development Meeting.

5 Davis - cheer
