

CITY OF RUTLAND, VERMONT

BOARD OF HIGHWAY

MONDAY, JULY 24, 2023

Members present: President Talbott, Mayor Doenges, Commissioner Protivansky and PA Magro.

Mayor Doenges called the meeting to order at 3:23pm.

Mayor Doenges stated with the Route 4 & 7 State of Vermont paving project starting soon, the Board of Highway Commissioners will have to make the decision regarding any lane changes.

Board Members discussed the options for the paving project, which include keeping the configuration exactly the same, allowing for lane changes for both Woodstock Avenue and South Main, or pick and choose.

Mayor Doenges asked Commissioner Protivansky where he stood with the changes proposed by the State for Woodstock Avenue. Commissioner Protivansky stated he wanted to gauge public opinion and learn more about the traffic from the high school before he made any decisions.

Board members agreed they will need additional information, taking into account high school and neighborhood traffic, as well as proposed bike lanes before they made any decisions.

Information only.

Meeting adjourned at 3:27pm.

Respectively submitted,

Sara Magro
