

CITY OF RUTLAND, VERMONT
Board of Aldermen Minutes
Monday, September 30, 2013

Members present; President Allaire, Aldermen Kiernan, Humphrey, Notte, Donahue, Siliski, Cassarino, Larson, Wallstrom, DePoy and Davis. Also present Mayor Louras, City Attorney Romeo, and City Clerk Heck.

President Allaire called the meeting to order at 6:20 PM.

President Allaire noted that this meeting was the continuation of the adjourned meeting for Monday, September 16th and the Board was looking at a recommendation from the Mayor for an RFP to replace the roof on the Courcelle Brothers building. Cindi Wight gave a brief explanation on why the Board should approve the recommendation for the RFP presented by Vermont Roofing in the amount of \$139,100.

There was brief debate as to the associated cost and where that money would come from to pay for the replacement. Discussion also involved the warranty and life expectancy on the replacement.

A motion was made and seconded (Wallstrom, Donahue) to confirm the Mayors selection of Vermont Roofing for the Courcelle Brothers Roof Repair as presented by their RFP response. **Motion passed.**

At 6:40 PM a motion was made and seconded (Davis, DePoy) to adjourn. **Motion passed.**

Respectfully Submitted,

Henry A. Heck
Rutland City Clerk
