Monday September 23 2024

Members Present: Mayor Doenges, President Talbott & Commissioner Protivansky

Others Present: Susan Clark (Clerk)

Mayor Doenges called the meeting to order at 3:12pm to discuss the discontinuance a section of Noyes Avenue.

Commissioner Protivansky said Noyes Avenue is a dead-end street and the dead-end ends at Foley's loading dock and stated Mr. Foley would like to put up a fence 35' away from his loading dock. Commissioner Protivansky is requesting to discontinue 35' at the end of Noyes Avenue. After brief discussion, President Talbott suggested the City Attorney review how it is written. Mayor Doenges made a motion to discontinue the identified section of Noyes Avenue from the City Highway Road list pending City Attorney review of proper access to necessary portions of that segment. President Talbott suggested calling it necessary access to utilities. All were in favor and the motion passed.

Mayor Doenges adjourned the meeting at 3:15PM
