Members present: Alderwoman McClure, Alderman Gillam, Donahue and Chair Davis

Also present: President Allaire, Alderman Cupoli, Commissioner Protivansky, Ed Bove Planning, City Attorney Megan Lachance and Maggie O'Brien Regional Planning

Topic: Local Hazard Mitigation Plan

The meeting began at 5:30pm

Chief Lovett who was unable to attend had endorsed this plan as he also serves as our Emergency Management director and feels it meets the cities need.

Maggie gave a synopsis of the plan last done in 2014 but should be done every five years.

Needs to be in place to obtain any FEMA funding.

Public comment period will continue for this plan. Some changes have been made based on comments.

All comments are captured.

I will turn over to Maggie at this time for a brief update.

Motion to approve the submitted plan to Vermont Emergency Management motion was unanimous and I so move.

Meeting adjourned at 6pm

Respectfully submitted,

Sharon Davis, Chair
