Borough of Sea Girt, Borough Council of Sea Girt, and Sea Girt Planning Board, (the plaintiffs shall be collectively referred to as the “Developer”), Docket No. MON-L-000102-20, seeking to compel the Borough to provide a realistic opportunity for the construction of housing affordable to low and moderate-income households and their fair share of the housing region’s need for such housing, (“Builder’s Remedy Action”); and

WHEREAS, the Borough instituted a declaratory judgment action entitled In the Matter of the Application of the Borough of Sea Girt, Superior Court of New Jersey, Law Division-Monmouth County, Docket No. L-2312-2020 (the “D/J Action”) wherein the Borough sought a declaration as to its affordable housing obligation and the opportunity to develop a plan to meet its constitutional obligation to provide for its fair share of affordable housing; and

WHEREAS, the Borough and the Borough Planning Board entered into a Settlement Agreement with the Developer in the Builder’s Remedy Action and the Court approved the Settlement Agreement after conducting a Fairness Hearing on June 3, 2021 finding it fair, reasonable and adequately protecting the interests of very low, low and moderate-income households in the region; and

WHEREAS, the Borough entered into a Settlement with Fair Share Housing Center to resolve the D/J Action which the Court approved on October 3, 2023 and a condition of the Settlement Agreement requires the Borough to implement and adopt a mandatory affordable housing set aside ordinance obligating an owner or developer of residential property with an approval for five or more residential units to provide a twenty percent set aside.

WHEREAS, the Borough Council of the Borough of Sea Girt, County of Monmouth, State of New Jersey finds it is in the best interest of the Borough to comply with the Settlement Agreement by adopting a Development Fee Ordinance.

NOW THEREFORE BE IT ORDAINED by the Borough Council of the Borough of Sea Girt, County of Monmouth, State of New Jersey, that it hereby creates a new section, Chapter 17, Section 5.26.5 entitled “Affordable Housing Development Fee” as follows:

SECTION I.

5.26.5-1 Affordable Housing Development Fees, Purpose:

a. In *Holmdel Builder's Association v. Holmdel Township*, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985 (the Act), N.J.S.A. 52:27D-301 et seq., and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.

b. Pursuant to P.L.2008, c.46 section 8 (C. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (C. 40:55D-8.1 through 8.7), COAH is authorized to adopt and promulgate

regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of the Council or court of competent jurisdiction and have a COAH or court approved spending plan may retain fees collected from non-residential development.

c. In *In Re: Adoption of N.J.A.C. 5:96 and 5:97* by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), also known as the Mount Laurel IV decision, the Supreme Court remanded COAH's duties to the Superior Court. As a result, affordable housing development fee collections and expenditures from the municipal affordable housing trust funds to implement municipal Third Round Fair Share Plans through July 1, 2025, are under the Court's jurisdiction and are subject to approval by the Court.

d. This section establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's regulations and in accordance P.L.2008, c.46, Sections 8 and 32-38. Fees collected pursuant to this section shall be used for the sole purpose of providing very low-, low- and moderate-income housing. This section shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:97-8.

2. When an increase in residential density pursuant to N.J.S.A. 40:55D-70d(5) (known as a "d" variance) has been permitted, developers shall be required to pay a development fee of six percent (6%) of the equalized assessed value for each additional unit that may be realized. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

b. Eligible exactions, ineligible exactions and exemptions for residential development.

1. Affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of onsite construction of affordable units if permitted by ordinance shall be exempt from development fees.

2. Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.

3. Owner occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.

4. Development fees shall be imposed and collected when an existing structure undergoes a change to a more intense use, is demolished and replaced, or when the square footage is increased by the creation of a new bedroom. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.

5. Nonprofit organizations that construct residential projects which have received tax exempt status pursuant to section 501(c)(3) of the Internal Revenue Code, providing current evidence of that status is submitted to the municipal clerk, together with a certification that services of the organization are provided at reduced rates to those who establish an inability to pay existing charges, shall be exempted from paying a development fee.

2. Non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two- and one-half percent (2.5%) of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.

3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

b. Eligible exactions, ineligible exactions and exemptions for non-residential development.

1. The non-residential portion of a mixed use inclusionary or market rate development shall be subject to the two and a half percent (2.5%) development fee, unless otherwise exempted below.

Non-residential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to P.L.2008, c.46, as specified in the Form NRDF "State of New Jersey Non-Residential Development Certification/Exemption" Form. Any exemption claimed by a developer shall be substantiated by that developer.

A developer of a non-residential development exempted from the nonresidential development fee pursuant to P.L.2008, c.46 shall be subject to it at such time the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy of the non-residential development, whichever is later.

5. If a property which was exempted from the collection of a non-residential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within forty-five (45) days of the termination of the property tax exemption. Unpaid non-residential development fees under these circumstances may be enforceable by Sea Girt as a lien against the real property of the owner.
