**MUNICIPAL HOUSING AND COMMUNITY DEVELOPMENT
SUPPLEMENTAL COOPERATION AGREEMENT**

NO. 2023

This Supplemental Cooperation Agreement (hereinafter referred to as the Supplemental Cooperation Agreement) made and entered upon its date of execution, by and between ST. LOUIS COUNTY, MISSOURI (hereinafter referred to as "County"), and the City of Shrewsbury, Missouri (hereinafter referred to as "Municipality"),

Witnesseth:

Whereas, the United States Congress enacted the Housing and Community Development Act of 1977 (hereinafter referred to as the "Act") providing federal funds to local units of government for the purposes of developing urban communities and improving housing conditions and community services; and

Whereas, the Act allocates funds to County for the purpose of undertaking Community Development Program activities authorized in Section 105 thereof; and

Whereas, the Act recognizes that Municipality may enter into cooperation agreements with County in order to undertake community development activities with Municipality as authorized by Section 105 of the Act; and

Whereas, County and Municipality have enacted ordinances authorizing their chief executive officers to execute a Municipal Housing and Community Development Cooperation Agreement dated August 26th, 2014, (hereinafter referred to as the "Cooperation Agreement") and Supplemental Cooperation Agreements; and

Whereas, the provisions of Section 70.210 to Section 70.320 R.S.Mo. inclusive empower municipalities or political subdivisions to contract with each other for a common service and Section 2.160 of the 1968 County Charter provides that the County Council may, by ordinance, authorize contracts between County and an incorporated area for a common service; and

Whereas, certain provisions of this Supplemental Cooperation Agreement are intended to amend the Municipal Housing and Community Development Cooperation Agreement previously entered into for the purpose of conforming with HUD requirements; and

Whereas, County and Municipality desire to undertake a cooperative Community Development Program in accordance with the Act;

Now, Therefore, County and Municipality mutually agree as follows:

I. County and Municipality hereby agree to cooperate in the undertaking or assist in the undertaking of essential community development and housing assistance activities, specifically urban renewal and publicly assisted housing as set forth in Exhibit A, "Budget and Scope of Program," attached hereto and made a part hereof. Such activities are to be carried out by Municipality in accordance with County's Community Development Plan and Housing Assistance Plan as submitted to HUD in County's Annual Consolidated Plan for Community Development Block Grant (CDBG), HOME, and Emergency Shelter Grant Programs. The community development activities authorized by the Act and outlined in County's Consolidated Plan will be carried out through funds received as a result of the Act and made available to Municipality by County for the purpose of undertaking community development programs. The community development activities to be undertaken by Municipality as set forth in Exhibit A will be performed in accordance with the terms and conditions of the Cooperation Agreement, the Supplemental Cooperation Agreement, and the Subrecipient Policies and Procedures Manual, and may be governed by additional amendments, if any, executed by County and Municipality. This Agreement shall remain in effect without terminating during any time Municipality has CDBG Funds under Contract, including Program Income, as defined by 24 CFR 570 et seq.

II. Changes in the subprograms and activities as described in Exhibit A may be requested

from time to time by either County or Municipality and if mutually agreed upon by and between County and Municipality shall be incorporated by written amendment(s) to the Supplemental Cooperation Agreement. County and Municipality acknowledge and agree that the budget line item "accounts" described in Exhibit A of this Agreement are estimates only and, therefore, the County shall, when necessary, transfer funds between "accounts" without the execution of an amendment to the Supplemental Cooperation Agreement in order to process municipal payment requests.

III. Municipality agrees that it will contractually obligate funds within twelve months of the executed date of this Supplemental Cooperation Agreement. Funds not contractually obligated as stipulated may be recaptured by County, unless an extension of time has been specifically requested in writing by Municipality and approved in writing by County.

IV. Municipality further agrees to abide by the provisions of Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards to wit:

A. Municipality agrees to abide by the provisions of 2 CFR 200.100 through 200.345 and 2 CFR 200.400 through 200.415, if applicable.

B. Municipality agrees to have an audit made in accordance with 2 CFR 200.500 through 2 CFR 200.520 if total federal grants spent during the fiscal year exceed \$750,000. If total federal grants spent during the fiscal year are less than \$750,000, Municipality shall be exempt from compliance with 2 CFR 200.500 through 2 CFR 200.520 and other federal audit requirements prescribed by state and local law or regulation. Nothing above exempts the Municipality from maintaining records of federal grant expenditures or from providing access to such records to federal agencies.

C. Municipality shall provide a copy of the audit report to the County within 30 days of the completion date of the audit.

V. Municipality agrees to comply with the following provisions as required by 24 CFR 570.503(b), to wit:

A. Municipality agrees to maintain and submit to County such records and reports as requested and specified by County in order to assist County in meeting its record keeping and reporting requirements.

B. Municipality shall inform County of any and all income generated as the result of a CDBG-funded activity. All such program income shall be returned to County. Program income generated by all Rehabilitation of Private Properties Activities will be used by County for grants and/or expenses related to CDBG Rehabilitation of Private Properties Activities administered or undertaken by County. Municipalities that have County-approved revolving loan funds for rehabilitation of Private Properties Activities will automatically have program income funds reallocated to aforesaid loan programs. All program income that is generated by non-Rehabilitation of Private Properties Activities will be reallocated by Supplemental Agreement Amendments to Municipality for eligible CDBG activities in accordance with all CDBG requirements as may then apply, and any requirements of the Cooperation Agreement as are applicable.

C. Municipality shall comply with applicable administrative requirements as described in 570.502.

D. Municipality shall comply with Subpart K of 24 CFR 570 et seq., specifically Sections 570.600 through 570.612, except for the exceptions noted in the regulations, being the Municipality does not assume County's environmental responsibilities under 570.604 and Municipality does not assume County's responsibility for initiating the review process under Executive Order 12372.

E. Municipality agrees that any real property under Municipality's control that was acquired or improved in whole or in part with CDBG funds (1) is used to meet one of the national objectives in 570.208 until five years after expiration of this Agreement, or such longer period of time as determined appropriate by County; or (2) is disposed of in a manner which results in the County being reimbursed in the amount of the current fair market value of the property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property.

VI. Municipality shall comply with Subpart B of 24 CFR part 135 and shall comply with all applicable goals for the utilization of small and disadvantaged businesses in contracting activities

of Section 3-covered projects as described in the aforementioned Subpart B.

VII. In accordance with 24 CFR 85.43, suspension or termination of this Agreement may occur if Municipality materially fails to comply with any term of this Agreement of the award of CDBG funds. The Agreement may also be terminated for convenience in accordance with 24 CFR 85.44.
