

§ 390-3 Fire hydrants.

[Amended 3-13-1989]

No vehicle shall be parked or permitted to remain stationary for any purpose within 10 feet of any fire hydrant. For violation of this section, the offender shall be fined. Fines are listed in the Fine Schedule, § 37-2 of this Code, and posted on the Town of Southington website.

§ 390-4 Handicap Parking.

Only those motor vehicles displaying a handicap plate or placard pursuant to Connecticut General Statutes 14-253a (or another state or commonwealth's relevant statute), are authorized to park in handicapped parking spaces except that any ambulance, which is transporting a patient, may park in such area for up to 15 minutes while assisting the patient. For violation of this section, the offender shall be fined. Fines are listed in the Fine Schedule, § 37-2 of this Code, and posted on the Town of Southington website. Any motor vehicle parked in violation for the second or subsequent time may be towed and impounded until payment of any fines incurred is received

§ 390-~~5~~4 Notice of parking violation.

The Police Department shall cause written notice of violation to be placed on offending vehicles with the fine for the offense stated thereon.

§ 390-~~6~~5 Payment of fines.

[Amended 10-9-2012]

All fines are to be paid at the Southington Police Department, or such other place as designated on the traffic ticket, within seven days after the offense. Fines remaining unpaid more than seven days after the offense shall be doubled. If fines remain unpaid more than 14 days from the date of the offense, a warrant may be issued for the arrest of the offender.

§ 390-~~7~~6 Removal of motor vehicles.

[Amended 3-13-1989; 7-14-1997]

In addition to the payment of fines as provided in §§ 390-2 and 390-3 for motor vehicles illegally parked, any motor vehicle parked in violation of this article shall be subject to removal from any public highway, any Town parking lot or posted Town property within the municipality by order of the Police Department, and the offender shall pay for the towing, moving, parking and storage of the vehicles.
