

RESOLUTION NO. 3

May 10, 2022

A motion made to officially name East Hill Spur, Ryant Road, and Cooper Spur roads to be added to the highway inventory of the Town of Spencer. East Hill Spur and Cooper Spur are currently plotted on tax mapping. East Hill Spur is un-named. Ryant Road is currently shown on the Tioga County GIS mapping, and is identified as Ryant Road but does not appear on tax mapping.

East Hill Spur and Ryant Road have been maintained for many years. Cooper Spur is a seasonal road. All three of these roads are dead end roads.

East Hill Spur commences at its intersection with East Hill Road at approximately N42-13-25.68, W 076-28-52.06 at its southerly end, and terminates at approximately N 42-13-28.33, W076-28-52.11 at its Northerly end and is approximately 270.' in length.

Ryant Road commences at its intersection with Washburn Road at approximately N42-13-16.30, W076 30-33.73 at its southerly end, and terminates at approximately N42-13-21.33, W076-30-32.28 at its northerly end. Being approximately 520' in length.

Cooper Spur commences at its intersection with Cooper Hill Road at approximately N42-11-27.56, W076-25-39.46 at its northerly end, and terminates at approximately N42-11-14.92, W076-25-34.71 at its southerly end and is approximately 1330' in length.

Coordinate values determined using Google Earth to identify the length of the roads. Latitude and longitude values were then converted to NAD83 (North American Datum) using an NGS (National Geodetic Survey) converter to determine the horizontal distances.
