 - a) Permanent Signs located in any R district, not exceeding one square foot in area.
 - b) Temporary Signs, not exceeding 9 square feet when located in the Downtown Historic District and 32 square feet when located outside of the Downtown Historic District. No sign shall be located in a manner such that it impairs

motorists' visibility. Should temporary signage be placed on a public sidewalk or pathway, the signage must leave a minimum of three (3) feet of clearance for continuous passage.

- c) A Banner may be displayed across the roadway at the intersection of Oklahoma/Sandosky Road and Main Street. No other locations within the Town are approved for placement of across the roadway banners.

12. Where a sign structure does not contain a sign for a period of 120 days, such sign structure shall be removed.
13. Signs that do not have fixed locations, including mobile-type signs so constructed as to be mounted on a preassembled vehicle or other device and designed to be movable by means of attached wheels or similar devices, shall not be permitted in any district.
