Wawarsing

Section 1. Chapter 112 Amendment

There shall be added to Chapter 112 of the Code of the Town of Wawarsing a new §112-29 entitled "**Short-Term Transient Rentals**" to read as follows:

§112-29 Short-Term Transient Rentals (STR)

- A. Purpose. With the increase in tourism over the past several years in the Town of Wawarsing and adjacent areas, there has been an increase in the number of property owners renting to tourists on a short-term transient basis. Many residents list their properties as short-term transient rentals on web-based booking sites such as AirBnB and VRBO. Short-term transient rentals offer many benefits to property owners and residents in our town such as increased income, however, they also create potential health, safety, and quality of life detriments to the community including a reduction of the available housing stock for full time residents. In recognition of the widespread popularity of short-term transient rentals, and in recognition that many short-term transient rentals are already operating in the town, the purpose of this local law is to regulate the safety and use of short-term transient rentals as home businesses in line with the goals of the Town Comprehensive Plan.

The following local law imposes mandatory regulations and requirements on all Town of Wawarsing property owners that desire to rent on a short-term transient basis their property. The purpose of such regulations and requirements are to assure that the properties being rented meet certain minimum safety and regulatory requirements which are proportional to those imposed on similar uses such as beds and breakfasts, inns, motels, and hotels thereby protecting the property owners, occupants of such housing and the residents of the Town of Wawarsing.

- B. Authorization.
