Township of West Goshen

Recommended Planting Guide
[Added 12-10-2008 by Ord. No. 10-2008]

Common Name Note: "N" denotes native species		Scientific Name	Notes
Ornamental Trees (minimum 8 feet high, 2 inches caliper)			
Hedge Maple		Acer campestre	Tolerates moist
Amur Maple		Acer ginnala	
Japanese Maple		Acer palmatum	
Paperbark Maple		Acer griseum	Specimen - peeling bark
Striped Maple	N	Acer pennsylvanicum	Tolerates shade-green bark
Cockspur Hawthorne	N	Crataegus crus-galli	Not around children
Winter King Hawthorne		Crataegus monogyna	Thornless
Washington Hawthorne	N	Crataegus phaenopyrum	Not around children
Red Buckeye	N	Aesculus pavia	Specimen - tolerates moist
Serviceberry	N	Amelanchier arborea	Tolerates shade and moist
American Hornbeam	N	Carpinus aroliniana	Tolerates shade and moist
European Hornbeam		Carpinus betulus	Use in allee or pairs
Eastern Redbud	N	Ceris canadensis	Tolerates shade and moist
White Fringe Tree	N	Chinonanthus virginicus	Tolerates moist
Pagoda Dogwood	N	Cornus alternifolia	Tolerates shade and moist
Kousa Dogwood		Cornus kousa	Modeled bark
Cornelian Cherry Dogwood		Cornus mas	Yellow flower
American Dogwood	N	Cornus florida	Tolerates shade
Franklin Tree	N	Franklinia	Historic - moist
Harry Lauder's Walkingstick		Corylus avellana	Twisted winter interest
Ruby Horsechestnut		Aesculus carnea	Deep red flower
Carolina Silverbell	N	Haleisa carolina	Tolerates shade and moist
Sweet Bay Magnolia	N	Magnolia virginiana	Tolerates moist
Saucer Magnolia		Magnolia soulangeana	
Crabapple Tree	N	Malus	Many varieties
Hop Hornbeam-Ironwood	N	Ostrya virginiana	Tolerates shade and moist
Sourwood	N	Oxdendrum aroreum	Tolerates moist
Stewartia	N	Stewartia malacodendron	Tolerates shade and moist
Japanese Snowbell		Styrax grandifolius (japonica)	Tolerates shade and moist
River Birch	N	Beltula nigra	Wet area - peeling bark
White Birch/Paper Birch	N	Betula papyrifera	White peeling bark
Gray Birch	N	Betula populifolia	White bark
American Smoketree	N	Citonus obovatus	
Witch Hazel	N	Hamamelis virginiana	Tolerates shade and moist
Paw Paw	N	Asimina triloba	Unusual fruit
Golden Chain Tree		Laburnum	Should face south
Kwanzan Cherry		Prunus serrulata	Flowering
Higan Cherry		Prunus subhirtella	Flowering
Sargent Cherry		Prunus sargentii	Flowering

WEST GOSHEN TOWNSHIP CODE

Common Name Note: "N" denotes native species		Scientific Name	Notes
Pin Cherry	N	Prunus pensylvanica	
Chanticleer Pear	N	Pyrus calleryana	Flowering
Ornamental Evergreen (minimum 6 feet height)			
American Holly	N	Ilex opaca	Tolerates shade and moist
Carolina Holly	N	Ilex ambigua	
Burford Holly		Ilex cornuta	
Swiss Stone Pine		Pinus cemgra	
Mugo Pine		Pinus mugo	
Lacebark Pine		Pinus bungeana	Showy bark
Limber Pine		Pinus flexilis	
Umbrella pine		Sciadopitys verticillata	Specimen
American Arborvitae	N	Thuja occidentalis	
Leyland Cypress		Cupressocyparis leylandii	Tolerates shade and moist
Hinoki Falsecypress		Chamaecypris obtusa	Specimen
Southern Magnolia	N	Magnolia grandiflora	Specimen
Blue Atlas Cedar	N	Cedrus atlantica "Glauca"	Specimen
Large Trees (minimum 2 1/2 inches caliper)			
Sugar Maple	N	Acer saccharum	
Red Maple	N	Acer rubrum	Tolerates moist
Sycamore	N	Platanus occidentalis	Tolerates moist-showy bark
Hackberry	N	Celtis occidentalis	Tolerates moist
Ginkgo		Ginkgo biloba	Male only
Honey Locust	N	Gleditsia	Thornless variety
Golden Rain Tree		Koelreuteria	
Bald Cypress	N	Taxidium distichum	Specimen - tolerates moist
Dawn Redwood		Metasequoia glyptostroboides	Specimen -tolerates moist
Chinese Elm		Ulmus parvifolia	
American Elm	N	Ulmus americana	
Zelkova		Zelkova serrata	Tolerates moist
Katsura		Cercidiphyllum	
White Oak	N	Quercus alba	Tolerates dry
Swamp White Oak	N	Quercus bicolor	Tolerates moist
Willow Oak		Quercus phellos	Tolerates moist
Sawtooth Oak		Quercus acutissima	
Bur Oak	N	Quercus macrocarpa	Tolerates moist
American Linden	N	Tilia americana	Tolerates moist
Silver Linden		Tilia tomentosa	Tolerates moist
Hickory	N	Carya	
American Yellowwood	N	Cladrastis	Tolerates moist
American Beech	N	Fagus granifolia	
European Beech		Fagas sylvatica	
Cucumber Magnolia		Mamolia acuminata	
Blackgum	N	Nyssa sylvatica	Tolerates moist
Persimmon	N	Diospyros virginana	
Buckeye	N	Aeculus octandra	
Weeping Willow		Salix babylonica	Tolerates moist
Large Evergreens			

ZONING

Common Name Note: "N" denotes native species		Scientific Name	Notes
(minimum 6 feet height)			
White Fir	N	Abies concolor	
Nordmann Fir		Abies nordmanniana	
Douglas Fir	N	Pseudotsuga menziesii	
Norway Spruce	N	Picea abies	
Colorado Blue Spruce	N	Picea pungens	
Oriental Spruce	N	Picea orientalis	Tolerates moist
Serbian Spruce		Picea omirika	
White Spruce	N	Picea glauca	
Cryptomeria		Cryptomeria Japonica	Tolerates moist
Hemlock	N	Tsuga canadensis	Tolerates shade
Blue Atlas Cedar		Cedrus atlantica "Glaucous"	Specimen
China Fir		Cunninghamia lanceolata	Specimen
English Holly		Ilex aquifolium	Tolerates shade and moist
Riparian Trees (minimum 2 inches caliper)			
Red Maple		Acer rubrum	Tolerates moist
Alder		Alnus glutinosa	Tolerates moist
Shagbark Hickory		Carya	Tolerates moist
Bur Oak		Quercus macrocarpa	Tolerates moist
Swamp White Oak		Quercus bicolor	Tolerates moist
Willow Oak		Quercus phellos	Tolerates moist
Blackgum		Nyssa sylvatica	Tolerates moist
Weeping Willow		Salix babylonica	Tolerates moist
Bald Cypress		Taxodium distichum	Tolerates moist
Slippery Elm		Ulmus rubra	Tolerates moist
Serviceberry		Amelanchier arnorea	Tolerates moist
River Birch		Betula nigra	Tolerates moist
Sweetbay Magnolia		Magnolia virginiana	Tolerates moist
Eastern Red Bud		Ceris canadensis	Tolerates moist
Paw Paw		Asimina triloba	Tolerates moist
Screening Shrubs (minimum 3 feet height)			
Japanese Holly		Ilex crenata	Tolerates shade
Inkberry Holly		Ilex glabra	Tolerates shade
Longstock Holly	N	Ilex pedunculosa	
Leatherleaf Viburnum	N	Viburnum rhytidophyllum	
Arrowwood Viburnum	N	Viburnum dentatum	
Skip Laurel	N	Prunus laurocerasus	Tolerates shade
Rhododendrum	N	Rhododendron	Tolerates shade
Yew		Taxus	
Burning Bush	N	Euonymus alatus compactus	
Mugo Pine		Pinus mugo	
Screening Trees (minimum 8 feet height)			
Leland Cypress	N	Cupressocyparis leylandii	Tolerates shade and moist
Cryptomeria		Cryptomeria japonica	
Norway Spruce	N	Picea abies	
White Spruce	N	Picea glauca
