OLD BUSINESS

A motion to Approve Ordinance 541 to set the tax revenue for 2013 at 6.4 mills to receive the anticipated \$833,437.00 in real estate revenue was made by Commissioner Sabol and seconded by Commissioner Patton. A roll call vote was taken and found all Commissioners in favor of the motion.

Solicitor Start stated for the record, on December 20, 2012 we appeared before the Court of Common Pleas. Judge Gallo signed an Order of the Court to authorize the Township to set at tax rate for the 2013 year, allowing \$801,437.00 in tax revenues. Municipalities have until January 31, 2013, if needed, to reset their millage rate based upon valuations that are still being worked on by Allegheny County. If the valuations change the landscape significantly, at the January meeting, the Township could adjust the millage rate.

Motion to Approve Ordinance 542 which, if adopted, would appropriate fund equities, revenues and other financing sources available for the year 2013 was made by Commissioner Sabol and seconded by Commissioner Patton. A roll call vote was taken and found all Commissioners in favor of the motion.
