Officers Cercone, Gerlach, and Cipolla attended Mass Casualty Involving Police Shootings, sponsored by the FBI Pittsburgh, at Nemacolin Woodlands Resort.

Chief Longerman wanted to inform residents to check the Township website for information on how to join Swift911. This is the fastest and most logical way for the Police Department, as well as the township, to share information with you. Requesting access can be done online, or call Chief Longerman at 724-457-8100 x102 for assistance in being set up.

Vehicle break-ins have begun so please lock your vehicles and keep valuables out of your vehicle.

PUBLIC WORKS

Commissioner Keller reported that Public works completed the following in May: maintained parks and cleaned for rentals, repaired hockey deck floor, painted goals, installed new nets and pads on goals, set up and tear down for election, cleaned up dirt in Township parking lot, repaired potholes, installed new street and roadway signs, picked up litter, MS-4 work, inlet inspections, cleaned inlets, installed 45 ft. of new storm pipe and replaced one inlet and grate on Pine Street, restored asphalt on Pine St., and started cutting back Right of Ways.

Commissioner Keller wanted to bring to the attention of the Board the extra money that will be needed to repair the storm sewers in the Township. The road foreman Brian Cain brought to his attention that there were several areas in the Township where the storm sewer pipe tin whistle, was in need of repair. He will be going over the budgeted amount, due to the extra repairs that need to be done. Commissioner Miller explained that they have money in the Capital Reserve account to cover it if need be.

Commissioner Keller also wanted the Board to be aware that if we get an early snowfall the money in the Highway Account would be also over budget, due to the harsh winter we had. Commissioner Miller explained that the salt storage shed is full and we would not have a problem.

FINANCE

Commissioner Miller said that we are at approximately 39% of the budget for this year. Everything is looking good. He wanted to remind the department heads that it is not too early to think about what they might need or want for next year, especially capital purchases.

Commissioner Keller wanted to bring up his concern that the Public Works Department will run out of money in their line item for MS-4 repairs. They have been replacing tin whistle pipe along several roads where the storm drains have been failing. He knows that they are going to go over the budget in this department and was concerned. Also the salt budget has been depleted for this year. If we get snow early we will not have enough money in the budget for salt.

Commissioner Miller assured him that they have money in capital reserve if needed to cover the overage in the Public Works Department. Also the salt bin is full and there would be plenty to use if an early snow came.

PARKS AND RECREATION

Commissioner Buccigrossi said they have been working on the Fall Festival for October. The gift basket that was raffled on Election Day was a huge success. He wanted to thank the people for their donations. They are always looking for people to join in the park board's activities.

FIRE DEPARTMENT

Commissioner Keller stated that a young lady wanted to thank the Moon and Crescent Fire Department for saving her from a fire on Jamestown Rd., with a pool party that she planned for tonight at the Windgate Pool. Unfortunately a fire call came in just as the food was going to be served.

VALLEY AMBULANCE

Wendy Schulenberg reported that Valley Ambulance started their new fiscal year on July 1, 2018. All rates stayed the same.
