ABS Kearns-Latini

APPROVAL OF THE AGENDA - Moved Murphy, 2nd Boatright

OLD BUSINESS:

- 1) Redevelopment Amendments – Nassimi – Agency walked through plan line by line and offered 14 comments that were mostly rejections due to the Agency's desire to keep the integrity of the Plan in-tact. Aspiration items such as Green design remain so. If the project required some variance and Waivers then so be it. The applicant's desire to enable application with no appealable items is not the Agency's concern, the success of the entire Redevelopment Area is.
- 2) Redevelopment Agreement for Board's Review

EXECUTIVE SESSION

(Matters of Negotiation).
