Also, they will remove the goal post at Grand Ave field (dangerous situation).

2. The electric hand dryers for the park bathrooms and the John Carno Recreation Center have been installed.

Topic for at the Youth Organizational Meeting – if hand dryers are misused and broken, who repairs? Does Town or organization? If broken and not repaired, organization should supplies paper towels...

3. February 4<sup>th</sup> - advertise for Seasonal Park Laborer position, starts in April.

4. On February 13<sup>th</sup>, at 5:30pm Geddes Town Hall, the Youth Organizations that utilize the Geddes Athletic Fields will meet with us. I would like to get a set of rules for field and building usage composed. I would also like these rules to pertain to Lakeland Park field and building use too. Currently, only one organization utilizes the Lakeland Park fields.

\*\* utilities (we pay electric, water, gas – should organizations?)

\*\* field management (since we do not charge organizations any fees to use fields, the organization is responsible for lining their own fields..BUT we do mow/weedwhack the fields/ lawns)

\*\*building management (hand dryers, daily maintenance, end of season clean-up, concession stand, etc.)

\*\*lack of resident participants

\*\*cameras to be installed to regulate illegal dumping in the dumpsters and also any other activities that may be illegal or damaging to the park/field areas
