

ZONING BOARD of APPEALS

Town of Geddes
1000 Woods Road
Solvay, New York 13209

June 29, 2020

Dear Applicant,

As the world reacts to the growing threat posed by the spread of COVID- 19, we would like to inform you how we intend to minimize the impact on our operation during this period of uncertainty.

The Town of Geddes Supervisor has enacted a state of emergency and emergency order which closed the town Hall to public access, but just recently opening up for limited public access from 10a.m. to 2p.m. The Town Hall is still not open for public meetings to be held. For this reason, we will **adjourn** all Appeal Cases that are scheduled on July 8th 2020 meeting which are Case #652, #653, and #654 which are public hearings to our August 12th 2020 ZBA meeting.

The situation involving the COVID-19 continues to change and develop daily. When we are given guidance that allows us to have Public hearings in the town Hall we will begin are normal Zoning Board of Appeal meeting dates. We will kindly update you monthly. The current hope is that meetings will be held in August in the Town Hall.

The Zoning Board of Appeal is sorry for any delays that could be caused by this extraordinary situation while keeping everyone safe.

Thank You,

David Tortora
ZBA Chairman
