### **Hillsborough Township's 5<sup>th</sup> Annual Clean Community Day** *Township Residents Invited to Participate on April 26<sup>th</sup>*

"Hillsborough Township will host the 5<sup>th</sup> Annual Clean Up Day on Saturday, April 26<sup>th</sup> from 9am until 12 noon in conjunction with Earth Day Observance," announced Committeewoman and Liaison to Sustainable Hillsborough Steering Gloria McCauley at Tuesday night's Township Committee Meeting. Earth Day is observed on April 22<sup>nd</sup> each year and events are held worldwide to demonstrate support for environmental protection and preservation.

"The Community wide clean up is made possible through the Clean Communities Grant and we are very fortunate to have these grant funds come into the Township," added Committeewoman Gloria McCauley.

Hillsborough Clean Communities invites all Township Residents to participate. The kick-off will be at the Peter J. Biondi Building at the Municipal Complex, where supplies and location assignments will be distributed. The clean-up activities will take place until noon.

The Clean Communities Grant is awarded from the State of New Jersey to assist municipalities in funding litter prevention, public education, adopt-a-highway campaigns and annual cleanups. The grants to municipalities and counties are made possible by the Clean Communities legislation, enacted in 2002. The law imposes a fee on companies manufacturing products that generate litter.

More information regarding this event is available on the Township website at [www.hillsborough-nj.org](http://www.hillsborough-nj.org) or to register to participate please email [dpw@hillsborough-nj.org](mailto:dpw@hillsborough-nj.org).
