Hillsborough Township Announces Register Ready Program to Assist First Responders

At Tuesday's Township Committee meeting, Committeewoman Gloria McCauley, also Liaison to Public Safety announced that "Register Ready is a Special Needs Registry designed to help first responders locate and safely evacuate people who find it difficult to help themselves in the event of a major disaster".

Register Ready is a free, voluntary and confidential service. Hillsborough residents can register via the Register Ready website at www.registerready.nj.gov, by dialing 211 which is toll free or by obtaining forms from the Hillsborough Township Office of Emergency Management located at Hillsborough Township Police Department Headquarters or from the Social Services Department.

Those residents who may find it difficult to get to a public shelter or to family and friends during an emergency evacuation because of physical or cognitive limitations, language barrier or lack of transportation are encouraged to register.

"Keeping all residents safe during times of crisis is a top concern for the Township. Registering through Register Ready is another mechanism to facilitate that safety," concluded Committeewoman Gloria McCauley.
