2013 Audit Completed

Township Records Found in Compliance

Mayor Doug Tomson announced at Tuesday's Township Committee meeting, "The 2013 Audit has been completed and we are pleased to report that the auditors have found the Township's ledgers in compliance and this year's audit did not have any significant findings to warrant an audit comment," reported Mayor Doug Tomson at Tuesday's Township Committee meeting.

"Once again, it is evident that the fiscal responsibility we place on Township Finances has proven effective as evidenced by these audit results," added the Mayor.

Suplee, Clooney & Company, the Township's Municipal Auditor, conducted the audit, which was completed in July. Upon completion the audit report was submitted to the Township and as required by New Jersey State Law the audit is reviewed and acknowledged by resolution. The audit summary will also be published in the newspaper, as required by law and will be made available on the Hillsborough Township website.

"The results of this audit are credited to the ongoing diligence of our Municipal employees," added Committeeman Frank DelCore, Liaison to Finance.
