FOR IMMEDIATE RELEASE
January 13, 2015

Hillsborough Township's FREE Rabies Clinic

Saturday, January 17th, 10am – noon at DPW's Facility - East Mountain Road

Hillsborough Township Committeeman Frank DelCore, Liaison to the Board of Health reminded all Township residents that the FREE Rabies Clinic is scheduled for Saturday, January 17th, 10am until 12 noon, weather permitting.

Hillsborough Township's Health Department offers the annual rabies clinic for New Jersey cats and dogs, FREE of charge. The rabies clinics are held at the Department of Public Works Facility, located on East Mountain Road.

"Rabies is present in wildlife in New Jersey and it is very important to keep your pets current with their rabies vaccination. Rabies is a fatal disease that can be passed to humans from infected wildlife or pets," stated Committeeman Frank DelCore.

He also urged residents to check in on the Township website or referring to this coming Friday's e-news prior to venturing out to the clinic.

Hillsborough residents are reminded that all Township dogs need to be licensed by February 28th. The dog license application can be obtained in the Finance Office or on the Township website. In applying for a dog license, proof of rabies vaccine valid through October 2015 must be provided with the application. All cats must be vaccinated against rabies, in accordance with the "Mandatory Cat Vaccination Ordinance of Hillsborough Township."
