Hillsborough Township's 2015 Green Living and Wellness Fair Set for Wednesday, June 17th, 2-5pm at the Municipal Complex

RWJ-Somerset to Sponsor Blood Drive

Committeewoman Gloria McCauley, Liaison to the Sustainable Hillsborough Committee, announced that the Township will hold its second "Green Living and Wellness Fair" on Wednesday, June 17th from 2-5pm.

"Last year, we added a green twist to the Annual Health Fair and it was so informative and well attended by our residents," stated Committeewoman Gloria McCauley during the announcement at Tuesday's meeting.

Participating local businesses will have informative presentations, displays and demonstrations to raise awareness of the many facets of living a healthy lifestyle, including making sound nutritional choices, making long-term life planning decisions, choosing a green lifestyle as well as many health screenings.

Robert Wood Johnson – Somerset will also be conducting a Blood Drive in the Senior Activity Center. "Please mark your calendars to come to the Fair and also consider giving the gift of life and donating blood at the drive," added Committeewoman McCauley.

In the past, the event was focused on health related issues and screenings. The new format is intended to promote "green living" ideas and initiatives, as well as overall wellness and healthy living.

There will be a poster contest open to all school aged Hillsborough residents to design a "Living Green" themed poster. Submitted posters should communicate a positive message on the benefits of living a *green lifestyle*, on an 8 ½" x 11" size paper. Please include name, address, home phone number, age, grade and school on the back of the poster. Posters must be submitted to the Administration Office by Friday, June 12th at 4:00 pm for consideration for the contest. All participants will receive a certificate of participation from Mayor Tomson and finalist prizes will be presented at the June 23rd Township Committee meeting.
