Health, Wellness and Green Living Fair – A Huge Success *Largest Turnout for the Annual Event*

“Last Wednesday, the Peter J. Biondi Municipal Complex was abuzz with a blood drive sponsored by Robert Wood Johnson Somerset, various health and wellness professionals offering a vast array of screenings and Emergency Services agencies sharing information with residents who came by to visit the Second Annual Green Living and Wellness Fair,” reported Mayor Doug Tomson.

While the concept of the Township’s Health Fair is not new, this was the second one to incorporate a *Green* element. Over 50 different participants joined the Fair this year, promoting healthy and green lifestyles as well as various health evaluations including vision screenings, blood pressure tests, glucose / diabetes screenings, skin cancer screenings and foot exams.

“Thank you to all of the organizations and the municipal staff that worked tirelessly to coordinate this event for our community. A full listing of the participants will be in this week’s e-newsletter,” added Committeewoman Gloria McCauley, Liaison to Sustainable Hillsborough and the Health Department.
