Hillsborough Township is Now on Twitter

Get Information & Updates on Twitter @HillsboroughTWP

The Hillsborough Township Committee continues to expand communication channels and now actively uses Twitter to share information with residents.

“We are always looking for ways to communicate with our residents and make sure they are informed and have various methods to do this; the Friday e-newsletter, Honeywell Instant alerts, Nixle, the Hillsborough Township website, Twitter and YouTube,” stated Mayor Doug Tomson.

“We understand and realize that folks have different preferences on how they obtain information, so Nixle and Honeywell are generally utilized more as emergency related means to get information out, while the e-newsletter is focused more on happenings within Hillsborough Township and Twitter is for quick informational updates,” added Mayor Tomson.

The various methods Hillsborough Township utilizes to communicate with residents are listed on Hillsborough Township’s website’s “Social Media Page”, under the “About” section. There is a complete listing of all the channels and which agencies utilize them.
