### **Hillsborough Township's FREE Rabies Clinic**

*Saturday, January 23<sup>rd</sup> 10am – noon, DPW Garage 21 East Mountain Road*

"Hillsborough Township will once again offer a FREE Rabies Clinic on Saturday, January 23<sup>rd</sup> at the Department of Public Works Garage, located at 21 East Mountain Road, from 10 am until noon," announced Committeeman Frank DelCore, Board of Health Liaison.

Hillsborough Township's Health Department offers the annual rabies clinic for New Jersey cats and dogs, FREE of charge. The rabies clinics are held at the Department of Public Works Facility, located at 21 East Mountain Road. Cats must be in a secure box or carrier and dogs must be leashed.

"Two of our area veterinarians, Dr. Schwirck of Red Bank Animal Hospital, and Dr. Martin of Belle Mead Animal Hospital have volunteered once again for this clinic," added Committeeman DelCore.

Hillsborough residents are reminded that all Township dogs need to be licensed by February 28<sup>th</sup>. The dog license application can be obtained in the Finance Office or on the Township website. In applying for a dog license, proof of rabies vaccine valid through October 2016 must be provided with the application, unless your vet provides you with a letter stating that for health reasons your dog cannot be vaccinated at this time.

"Please keep in mind this is a tentative schedule and updates will be on the Township website and in the Friday e-newsletter," concluded Committeeman DelCore.
