DelCore, Suraci Chosen for Mayor and Deputy Mayor for Hillsborough Township for 2016

The Two Veteran Committeemen Bring Extensive Experience to the Helm

Hillsborough Township Committee elected Frank DelCore as Mayor and Carl Suraci as Deputy Mayor for 2016, at the annual re-organization meeting Tuesday evening.

Committeeman Greg Burchette, who was re-elected in November, was sworn in for a second three year term on the Township Committee.

DelCore brings extensive knowledge and experience to the position, beginning his 9th year on the Township Committee and having served as Mayor in 2009, 2010 and 2013. Additionally, DelCore previously served as Deputy Mayor, liaison to the Capital Planning Committee, Recreation Commission, Police, Rescue Squad, Emergency Management, Economic & Business Development Commission, Municipal Alliance, Historic Preservation, Planning Board, Sign Review Committee and Sustainable Hillsborough Commission.

Following his swearing in by Assemblyman Jack Ciattarelli, DelCore thanked his family and colleagues for their continued support. He then recapped the 2015 highlights and provided an outlook for 2016, focusing on continued fiscal prudence in managing the Township's finances through exploring additional shared services.

"The diligent management of each of every budget line item will remain a core focus area," commented newly elected Mayor DelCore.

He went on to welcome some anticipated new members to key management positions within the Township as the result of recent retirements, including the Chief and Captain of the Police Department, the Director of Parks, Recreation and Social Services and the Business Advocate.

He along with Deputy Mayor Suraci and Committeewoman McCauley will continue to work closely with County officials to manage the final steps at Mountainview Park, formerly known as the GSA Depot, to ensure the initial ballfields are operational in 2016.

Finally, managing the Township's existing parks and other infrastructure improvements topped off the new Mayor's to do list for 2016.

The meeting concluded with the appointments to various Township Boards and Commissions for the year 2016 which was followed by light refreshments in the multi-purpose room.
